Cleansers

Limu Facial Cleanser

Analytical studies have shown a sufficient increase in skin **flexibility** and skin **hydration** with this blend of **Aloe Vera Gel** and **Algae Extract. Sucrose Cocoate** is a natural sugar ester that cleanses the skin gently, removing surface debris and make-up. This non-foaming cleanser is **excellent** for **sensitive skin**. Recommended after laser treatments or any chemical peels.

APPEARANCE

Light green. Full body hydro gel scented with Orange essential oil.

USE

Use twice daily to remove surface debris or make up. Apply in gentle circular massage motion to face and neck areas. Can be used as a shave crème for a close shave on the legs for women and the face for men. Excellent eye makeup remover.

KEY INGREDIENTS

Algae – derived from seaweed, a natural mineralizing agent that can condition dehydrated and premature aged skin by stabilizing moisture content.
Aloe Vera Gel – Aloe has been known for its anesthetic, anti-bacterial, and tissue restorative properties. The Aloin free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.
Sucrose Cocoate – A Japanese patented sugar ester, made from a mixture of sucrose and coconut derivative. This is an excellent cleansing ingredient incorporated to eliminate surfactants “soaps” that may be sensitizing to delicate skin types or conditions.

LIST OF INGREDINTS:

Agua, PEG-7 Glyceryl Cocoate, Aloe Barbadensis Leaf Juice, Algae Extract, Carrageenan, Sucrose Cocoate, Tocopheryl Acetate, Glyceryl Stearate SE, Cetyl Alcohol, Caprylic/Capric Triglyceride, Orange Oil, Carbomer, Triethanolamine, Tetrasodium EDTA, Potassium Sorbate, DMDM Hydantoin, Chromium Oxide Greens.

AHA/BHA Cleanser

ABOUT THIS FORMULA…

This deep cleansing lotion includes the **Alpha** and **Beta Hydroxy Acids** of **Glycolic, Lactic** and **Salicylic.** These natural acids loosen the bond of dead skin cells to **accelerate** the natural skin renewal process. The **Jojoba beads** gently exfoliate the skin to prevent occlusion of pores, revealing a **fresher** and **more youthful looking skin**. After rinsing thoroughly with cool water, follow with a day or night moisturizer or special treatment.

APPEARANCE

White translucent lotion, with the light scent of Grapefruit Oil.

USE

Gentle enough to use twice a day. Apply to face and neck with circular motion. Rinse thoroughly with cool water.

FOR DRY TO SENSITIVE SKIN

Recommended to use two to three times a week. Rinse thoroughly with warm water.

KEY INGREDIENTS

- Glycolic Acid – A naturally derived Alpha-Hydroxy Acid found in sugar cane. Studies have shown Glycolic Acid is an exfoliant that encourages production of collagen and increases cell turnover.
- Salicylic Acid – A naturally derived Beta-Hydroxy Acid found in Willow Bark Extract. Encourages surface renewal for a smoother texture.
- Lactic Acid – Provides excellent moisture, while refreshing skin texture.
- Jojoba Beads – (Hydrogenated Jojoba Oil) – A natural round bead that will not abrade the delicate skin tissue.

LIST OF INGREDIENTS:

Agua, Decyl Glucoside, Cocamidopropyl Betaine, Jojoba Esters, Acrylates Copolymer, Sodium PCA, Glycolic Acid, Salicylic Acid, Lactic Acid, Citric Acid, Citrus Grandis (Grapefruit) Peel Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Sodium Cocoyl Apple Amino Acids, Glycol Distearate, Steareth-4, Sodium Hydroxide, Disodium EDTA, Sodium Hydroxymethylglycinate.

Chamomile Lotion

THE SOOTHING CLEANSER…

This gentle cleanser was designed to cleanse skin thoroughly. **Chamomile** and **Vitamins A & E** provide necessary healing moisture to prevent dry, red irritations. Harsh environment such as weather, pollutants or any skin irritation conditions can be soothed by this re-balancing and superior soothing cleanser.

APPEARANCE

White opaque milky lotion with the natural essential oil scent of Chamomile.

USE

Use twice daily. Gently massage with fingertips on face and neck area. Rinse with warm washcloth. Can be used as a shaving lotion for a close smooth shave.

KEY INGREDIENTS

- **Chamomile** – Naturally derived from the Chamomile flower and cold processed to concentrate. The soothing, regenerating properties of the plant are concentrated in the overpowering herbal fragrance.
- **Squalane** – A naturally derived ingredient found in olives has been known to be the closest comparable ingredient to human sebum, providing softness while replacing necessary oils.
- **Vitamin E** – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking, drinking).
- **Vitamin A** – Studies have shown that Vitamin A helps increase the skin elasticity, and normalizes dry parched skin.
- **Aloe Vera** – Aloe has been known for its anesthetic, anti – bacterial, and tissue restorative properties. The alion free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.

LIST OF INGREDIENTS:

Agua, Tridecyl Stearate, Neopentyl Glycol Dicaprylate/Dicaprate, Tridecyl Trimellitate, Aloe Barbadensis Leaf Juice, Glyceryl Stearate, PEG-100 Stearate, Sorbitol, Cetearyl Alcohol, Ceteareth-20, Dimethicone, Squalane, Tocopheryl Acetate (Vitamin E), Retinyl Palmitate, Azulene, Stearyl Alcohol, Cetyl Alcohol, Carbomer, Triethanolamine, Xanthan Gum, Camomilla Rectita (Matricaria) Flower Oil, Methylcholorisothiazolinone, Methylisothiazolinone.

Dermaclenz Liquid Cleanser

ABOUT THIS FORMULA…

This unique cleansing liquid includes a blend of **Meadowsweet extract** combined with **Lactic Acid** and **polysaccharides** from **Honey extract**. This combination provides excellent moisture while increasing skin surface renewal. **Lemon Bioflavonoids** and **Rosemary extract** stimulate and tone. The fragrant essential oils of Orange, Geranium and Eucalyptus refresh the senses. This formula thoroughly cleanses and removes excessive oil, environmental impurities and make-up.

APPEARANCE

Clear foamy liquid. Scented with essential oils of Orange, Geranium and Eucalyptus.

USE

Use twice daily. Apply with fingertips or washcloth to moist skin. Massage into skin with circular motion until lather is achieved. Rinse thoroughly with cold water, follow with toner.

KEY INGREDIENTS

- Aloe Vera Gel – derived from the inner gel of Aloe Plant to enhance the consistency of this formula, also hydrates and smooths the skin.
- Salix Nigra- Willow Bark Extract – Organic Salicylic Acid, removes excess dead skin cells to reveal new healthy cells.
- Lemon Bioflavonoids – Helps to balance oily skin. Brightens and clarifies the complexion.
- Rosemary Extract – Pleasant aromatic scent to refresh and condition the skin.
- Kola Nut – Known to help reduce irritation to the skin.
- Lactic Acid – Promotes skin surface renewal by exfoliating dead skin cells.
- Horse Chestnut – Known for its astringent qualities to help in healing the skin.

LIST OF INGREDIENTS:

Aqua, Sodium Laureth Sulfate, Aloe Barbadensis Leaf Juice, Cocamidopropyl Betaine, Cocamide DEA, Bioflavonoids, Rosmarinus Officinalis (Rosemary) Leaf Extract, Cola Acuminata Seed Extract, Aesculus Hippocastanum (Horse Chestnut) Seed Extract, Butylene Glycol, Spiraea Ulmaria Flower Extract, Honey Extract, Salix Nigra (Willow) Bark Extract, Citrus Aurantium Dulcis (Orange) Peel Oil, Geranium Maculatum Oil, Eucalyptus Globulus Leaf Oil, Citric Acid, Methylchloroisothiazolinone, Methylisothiazolinone.

Borage Leaf Foaming Cleanser

A LIGHT FOAM CLEANSER...

Experience a light foaming and deep pore cleansing action with non-sensitizing mild surfactants. The **Borage Leaf Foaming Cleanser** contains a **proprietary blend** of botanical extracts of **chamomile, cucumber** and **aloe vera** to calm and soothe. **Vitamin E, Sodium PCA** and **Cocoa Butter** are also incorporated to pamper dehydrated and irritated skin.

APPEARANCE

White milky consistency with Ginger and Lavender Essential Oil scent.

USE

Use twice daily. Apply to face and neck with gentle circular massaging motion until slight later is achieved. This foaming cleanser was designed to cleanse skin thoroughly without dryness. Can be used as a shave crème as well as a cleanser. Avoid Eye area.

KEY INGREDIENTS

- Sodium C14-16 Olefin Sulfonate, Sodium Methyl Cocoyl Taurate, Cocamidopropyl Betaine - mild surfactants designed to cleanse the skin without irritation.
- Aloe Barbadensis Leaf Juice – Aloe has been known for its anesthetic, anti-bacterial, and tissue restorative properties. The allion free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.
- Borage Officinalis Extract – Herbalists have prepared Borage Leaf Extract to cool and soothe the skin and also applied to external inflammations and swellings. Ancient Celtic warriors preparing for battle drank wine flavored with borage extract to give them courage.
- Salix Alba (Willow) Bark Extract – (Organic Salicylic Acid) naturally derived from Willow Bark. One of the most effective Alpha Beta Hydroxy Acids for exfoliating surface dead skin cells and debris that can cause problem skin.
- Chamomile recutita (matricaria) extract – Chamomile flowers are cold processed to concentrate, and incorporated in this cleanser to soothe, and regenerate the skin.
- Sodium PCA – (NaPCA) A natural moisturizing component that softens the skin and helps attract and retain moisture.

LIST OF INGREDIENTS:

Agua, Sodium C14-16 Olefin Sulfonate, Stearic Acid, Sodium Methyl Cocoyl Taurate, Glycerin, Cocamidopropyl Betaine, Glycol Stearate, Aloe Barbadensis Leaf Juice, Triethanolamine, Caprylic/Capric Triglyceride, Cetearyl Alcohol, Ceteareth-20, Borage Officinnalis Extract, Salix Alba (Willow) Bark Extract, Chamomilla Recutita (Matricaria) Extract, Cucumis Satitus (Cucumber) Fruit Extract, Tocopheryl Acetate, Sodium PCA, Theobroma Cacao (Cocoa) Seed Butter, Beeswax, Xanthan Gum, Lavandula Augustifolia (Lavender) Oil, Zingiber Officinale (Ginger) Root Oil, Diazolidinyl Urea, Iodopropynyl Butylcarbamate.

Gentle Eye Make-Up Remover

JUST LIKE YOUR OWN TEARS….

The **Gentle Eye Make Up Remover** quickly dissolves eye make up with no irritation. It is specifically formulated and designed to be similar to tears in order to prevent stinging or drying to the delicate tissue around the eye area. Oil free. Sulfate free.

APPEARANCE

Clear liquid with no fragrance.

USE

Apply a liberal amount on a cotton pad. Gently wipe across the closed eye area without any pressure. Allow the formula to dissolve your make up. Repeat if needed. Can be used all over the face to remove foundation. Will also take off dark lipstick.

KEY INGREDIENTS

Cocamidopropyl Betaine – Gentle cleansing and conditioning properties. Very mild and is used to decrease irritations.
Benzalkonium Chloride – Gentle anti-bacterial properties

LIST OF INGREDIENTS:

Purified Water, Cocamidopropyl Betaine, Benzalkonium Chloride, Sodium Borate, Sodium Chloride, Citric Acid, Polysorbate 20, Tetrasodium EDTA, Phenoxyethanol.

Herbal Blend Astringent

NATURAL HEALING PROPERTIES…

This formula contains eight extracts that provide natural healing properties to normal, combination, oily, and problem skin. We have improved on the blending of the extracts by using a cold process and eliminating the alcohol content.

APPEARANCE

Herbal green liquid with a natural blend of eight extracts. Scented with Lavender, Lemon and Geranium Essential Oils.

USE

Apply twice after thoroughly cleansing the skin. Apply with flat cotton sheet all over face and neck. Follow with moisturizer. Can be sprayed on the face. Avoid eye area.

KEY INGREDIENTS

- Organic Salicylic Acid (Willow Bark Extract) Added to enhance this formula. It is one of the most effective Hydroxy Acids. Willow Bark Extract can increase cell renewal. Willow Bark is a safe way to get the benefits of a Beta Hydroxy acid without the risk of irritation. Willow Bark Extract is known for its antiseptic, astringent and anti-inflammatory properties. All of the selected extracts help clarify and condition the skin while giving the skin a revived and refreshing feel.
- Willow Bark Extract – Organic Salicylic Acid. One of the most effective Alpha Beta Hydroxy Acids for exfoliating surface dead skin cells and debris that can cause problems skin.
- Sage Extract – Purifies and stabilizes oily skin condition.
- Coltsfoot Extract – Known for soothing, detoxifying, and astringent properties.
- Horsetail Extract – Known for soothing and healing properties.

LIST OF INGREDIENTS:

Agua, Polysorbate-20, Butylene Glycol, Tussilago Farfara (Coltsfoot) Flower Extract, Equisetum Arvense (Horsetail) Extract, Melissa Officinalis (Balm Mint) Leaf Extract, Salvia Officinalis (Sage) Leaf Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Anthemis Nobilis (Chamomile) Flower Extract, Hamamelis Virginiana (Witch Hazel) Distillate, Salix Alba (Willow) Bark Extract, Aloe Baradensis Leaf Juice, Essential Oils: Lavandula Angustifolia (Lavender) Oil, Citrus Medica Limonum (Lemon) Peel Oil, Geranium Maculatum Oil, Phenoxyethanol ,Potassium Sorbate, Capryl Glycol, F D & C Blue 1, Yellow 5, (food grade colorants).

Ginseng Mineral Toner

NATURAL PROTEINS…

This **multi-functional hydrating toner** provides **natural proteins** to help maintain elasticity. Included are bio-extracts that are very effective in **hydrating**. **Minerals** that possess **stimulating abilities** and are also included. **Ginseng Extract** is incorporated in this formula to **revitalize** and **condition** the skin. A slight flush will give the skin a ***healthy glow.***

APPEARANCE

Golden liquid with the pleasant scent of Ginseng, Chamomile and Geranium.

USE

Use after thoroughly cleansing the skin. Refreshes and re-hydrates the skin with an aromatic blend of essential oils.

KEY INGREDIENTS

- Chamomile, and Geranium – A blend of aromatherapy oils for soothing, warming blend of essential oils.
- Ginseng Extract – Ginseng Extract is beneficial in this toner for revitalizing and conditioning all skin types. Used for thousands of years, and touted as a prolonger of life and cure for literally all human ills, not to mention being the cornerstone of a multimillion dollar ginseng trade.
- Bee Pollen Extract – A natural source of most known nutritional elements. Used as a healer of wounds and contains vitamins and minerals.
- Sodium PCA (NaPCA) –A natural moisturizing component that softens the skin and help it attract and retain moisture.
- Hydrolyzed Muccopolysaccharides – bio active extract effective in hydrating and softening the skin. Present in living cells where they bind water and mineral salts.

LIST OF INGREDIENTS: Agua, Polysorbate-20, Butylene Glycol, Sodium PCA, Panax Ginseng Root Extract, Sea Salt, Bee Pollen Extract, Hamamelis Virginiana (Witch Hazel Distillate), Geranium Maclatum Oil, Chamomile Recutita (Matricaria) Flower Oil, Hydrolyzed Glycosaminoglycans, Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol, Cyanocobalamin (Vitamin B-12).

Exfoliators

Honey Almond Scrub

PURE SWEETNESS OF HONEY…

Honey, the key ingredient in this exfoliating crème, has many functions. It is valued as a **humectant** because of its sugar content providing **soothing properties**. Somewhat acidic, it has mild **antiseptic properties** which make it beneficial in the treatment and healing of problem skin. Other special ingredients such as **Sodium PCA** and **Niacinamide** are added to help hydrate and improve elasticity.

APPEARANCE

Thick rich creamy paste with the fragrance of honey.

USE

Gentle to use every day or as needed. Applying to pre-moistened facial and neck areas with wet fingertips will allow the thick cream to glide on the skin. Massage exfoliator in gentle circular motions without pressure to the skin. Remove thoroughly with washcloth using lukewarm water. Follow by using a toner and moisturizer. NOTE: This ultra rich crème can be left on the skin for 10-15 minutes for a deep-pore cleansing treatment.

KEY INGREDIENTS

- Honey – A natural humectant that helps the skin retain moisture. Gently warms the skin and opens pores to enhance the exfoliation process. Honey is also somewhat acidic, it has mild antiseptic properties, to help heal and condition.
- Lactic Acid – An Alpha-Hydroxy Acid, naturally exfoliates dead skin cells. Lactic Acid is derived from sour milk or yogurt.
- Sodium PCA – A natural moisturizing component that softens the skin and helps it attract and retain moisture.
- Nicinamide – A nutritional ingredient known as a member of the Vitamin B Group. Niacin and Niacinamide are known as Vitamin B3.
- Oatflour – finely milled oats to soothe and reduce irritation.

LIST OF INGREDIENTS:

Honey, Oat Flour, Titanium Dioxide, Butylene Glycol, Almond Meal, Deionized Water, Lactic Acid, Honey Extract, Sodium PCA, Niacinamide, Disodium EDTA, Potassium Sorbate, Phenoxyethanol, Non Sensitizing Fragrance, Methylparaben, Butylparaben, Propylparaben, Ethylparaben.

Papaya Creme Enzyme Polish

REFRESHING FOR DELICATE SKIN…

The new **Papaya Creme Enzyme Polish** will **refresh** your delicate skin. The special linked **Papain enzyme** incorporated in this formula exfoliates and digests dead skin cells that can clog pores. Essential oils in this creamy polish help **eliminate bacteria** and refresh the senses. The cleansing ingredients are **extremely mild** and used mainly in **baby products**. **Sugar** in this formula has an **exfoliating function**. Lactic acid is also added to this formula.

APPEARANCE

Off white in color with a creamy consistency and light scents of grapefruit, lavender and Orange.

USE

Apply polish to cleansed skin. Apply the creamy papaya polish to the face and neck areas with a gentle circular motion and without applying pressure. Rinse thoroughly with tepid water. Applying a toner or moisturizer is recommended to protect new exposed fresh skin cells and to hydrate your skin. Can be used two to three times a week.

KEY INGREDIENTS:

Sodium Cocoyl Glutamate – “Baby surfactant” is an animo acid based surfactant. It does not dry out the skin and leaves the skin feeling moisturized. Extremely hypoallergenic and mild cleansing.

LIST OF INGREDIENTS:

Aqua, Ethylhexyl Palmitate, Stearic Acid, Cetyl Alcohol, Polyethylene, Glyceryl Stearate SE, Hydrogenated Vegetable Oil, Sodium Cocoyl Glutamate, Potassium Cetyl Phosphate, Polysorbate 60, Glycerin, Dimethicone, Sodium Hyaluronate, Papain, Sucrose, Milk, Ananas Sativus (Pineapple) Fruit Extract, Carica Papaya (Papaya) Fruit Extract, Mentha Piperita (Peppermint) Leaf Oil, Citrus Grandis (Grapefruit) Oil.Lavandula Angustifolia (Lavender) Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Methyl Lactate, Sorbitan Sesquioleate, Carbomer, Disodium EDTA, Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol.

Microdermabrasion Creme

THE AMAZING MICRO-CRYSTALS…

The **Micro-Dermabrasion Crème** is particularly helpful for all skin types, including **sensitive, dry, dehydrated, oily, normal, combination** and **problem** skin. This amazing formula gently and effectively exfoliates with micro fine particles that will not irritate delicate skin tissue. You can use this crème two to three times a week. This protocol will help reveal fresh skin cells while enhancing the skin's natural ability to regenerate. **Micro-Dermabrasion Crème** can also be used to exfoliate for a smoother texture — especially to areas (**arms, legs, elbows, knees** and **hands)** that are exposed to harsh environment such as extreme heat or cold weather.
This best-selling gentle crème will maintain a smooth surface to help refine and reduce wrinkles, problem blemished skin and scarring.

APPEARANCE

Terracotta in color, and a light gentle crème. Lightly scented with essential oils, no fragrance.

USE

Use two to three times weekly. First cleanse your face with your favorite cleanser to remove make up. Apply to face neck and chest with a liberal amount. Gently massage without pressure to all areas for best results. Massage on face for at least 2 to 3 minutes. Remove with warm wet cloth. Rinse excess if needed

KEY INGREDIENTS:

- Soybean Oil – Extract of Soybeans. Composed mostly of triglycerides of oleic, linoleic and linolenic acids. Emollient, oil rich in Tocopheryl, known as Vitamin E.
- Sodium Hyaluronate – Known as an excellent humectant and emollient, which moisturizes, lubricates and soothes the skin.
- Horse Chest Nut Extract – Known for its healing properties. Also know as a vasoconstrictor.
- Ginseng Root Extract – Revitalizes and conditions the skin.
- Lavender Oil – Calms and sooths delicate skin.
- Vitamin A – (Retinyl Palmitate) – Studies have shown that Vitamin A helps the skin elasticity, and normalizes dry parched skin.

LIST OF INGREDIENTS:

Purified Water, Aluminum Oxide, Caprylic/Capric Triglyceride, Glycine Soja (Soybean Oil), Sorbitol, Stearic Acid, Methyl Gluceth-20, Cetyl Esters, Hydrogenated Cottonseed Glyceride, Dimethicone, Cetyl Alcohol, Ascorbic Acid, Tocopheryl Acetate, Retinyl Palmitate, Sodium Hyaluronate, Allantoin, Hamamelis Virginiana (Witch Hazel) Distillate, Panax Ginseng Root Extract, Aesculus Hippocastanum (Horse Chestnut) Extract, Symphytum Officinale Extract, Rosa Canina Fruit Extract, Citrus Grandis (Grapefruit) Peel Oil, Lavandula Angustifolia (Lavender) Oil, Polysorbate 20, BHT, Carbomer, Triethanolamine, Tetrasodium EDTA, Methylparaben, Propylparaben, Imidazolidinyl Urea.

Moisturizers

Advanced Sun Protection SPF 30

STATE-OF-THE-ART SKIN PROTECTION…
This incredible SPF formula is designed for light moisturization with **natural ingredients.** The powerful anti-oxidant **Japanese Green Tea Extract** is known for its **anti-irritant properties, preventing redness, rough skin** and **peeling** caused by sun-drenched skin.
Vitamin A helps increase elasticity and normalizes dry parched skin. **Vitamin E** is the second anti-oxidant ingredient added to this unique formula that helps protect the skin from free radical damage. Other specialty and beneficial extracts including **Gingko Biloba, Ginseng**, and **Licorice** are added to help revitalize and condition sluggish skin. This formula can be used for the face and the body.

USE
Apply this advanced SPF 30 on thoroughly cleansed skin. Light enough for oily skin. Reapply as needed to maintain the SPF 30 protection, especially after exercise, sport activities or swimming. Also recommended for clients after Micro-dermabrasion, laser treatments and chemical peels.

DIRECTIONS
Apply to areas that are exposed to sun, reapply as needed to maintain the SPF 30 protection, especially after long exposure to the sun such as exercise, sport activity or swimming. Recommended for clients using Alpha Hydroxy Acids, and Retinol products. Recommended for clients after laser treatments and chemical peels. Zinc Oxide in this formula will help with oily and problem skin types.

KEY INGREDIENTS:

- Zinc Oxide 7% (Z-Cote) – A new transparent micro fine zinc oxide. It blocks both UVA and UVB radiation. Excellent for sensitive skin. Zinc Oxide is a physical sun block that is not absorbed, so it does not cause any allergic reactions. ***PROFESSIONAL RECOGNITION:*** The importance of Z-Cote (special Zinc Oxide) as UVA blocker is well recognized by the dermatological community. Multiple brands formulated specifically for Dermatologists are incorporating Z-Cote. Z-Cote has been showcased in many trade and popular magazines lately including, Elle, W, Health, Conde Nast Sports for Women, Mirabella, Woman's Wear Daily, Wall Street Investor, Good Housekeeping to name a few.
- Octinoxate 7.5% – A UVB sun protector.
- Octisalate 5%– A commonly used and UVB protector.
- Japanese Green Tea Extract – This extract helps reduce skin irritation and redness. Japanese Green Tea Extract acts as an effective antioxidant to scavenge free radicals.
- Gingko Biloba, Ginseng, and Licorice Extracts – Revitalizes and conditions sluggish skin.

DRUG FACTS – ACTIVE INGREDIENTS:
Octinoxate 7.5%, Zinc Oxide 7%, Octisalate 5%.

USES:
Filters out the sun's rays to prevent sunburn. This formula is designed for all skin types.

WARNINGS:

For external use only. Not to be swallowed. Avoid contact with eyes. Discontinue use if signs of irritation or rash appear. If irritation or rash persists, consult a doctor.

INACTIVE INGREDIENTS:

Agua, Glyceryl Stearate, PEG-100 Stearate, C 12-15 Alkyl Benzoate, Hydrogenated Vegetable Oil, Cetyl Alcohol, Ceteareth-20, Cyclomethicone, Cetyl Dimethicone Copolyol, Cetyl Dimethicone, Dimethicone, Ascorbic Acid (Vit. C), Retinyl Palmitate (Vit. A), Tocopherol Acetate (Vit. E), Camellia Oleifera (Japanese Green Tea) Extract, Chamomile (Anthemis Nobilis) Extract, Calendula Officinalis Extract, Ginseng (Panax Ginseng) Extract, Gingko Biloba Extract, Licorice (Glycyrrhiza Glabra) Extract, Sodium Hyaluronate, Sodium PCA, Citric Acid, Xanthan Gum, Tetrasodium EDTA, Methylparaben, Diazolidinyl Urea.

SUN ALERT:

Limiting sun exposure, wearing protective clothing, and using sunscreens may reduce the risks of skin aging, skin cancer, and other harmful effects of the sun.

Eye & Throat Bio Moist

MOISTURE TREATMENT FOR DELICATE AREAS…

The **Eye and Throat Bio Moist** provides a **moisture treatment** for the effects of aging appearing in the **eye, throat** and **décolleté areas**. **Antioxidants, Vitamin A** and **E** are incorporated into this formula to help protect the skin from the damaging effects of free radicals – and to help **improve elasticity.**
Bisabolol and **Sodium Hyaluronate** are also included to **soothe the skin** and **increase hydration.**

APPEARANCE

Pale yellow crème

USE

Use twice daily after thoroughly cleansing skin. Apply around eye, throat and décolleté area.

KEY INGREDIENTS

- Bisabolol – A soothing, anti-irritant derived from Chamomile and Matricaria Oils. Chamomile is known for its soothing and healing properties. Matricaria Oil, a derivative of Chamomile flowers, has regenerating properties.
- Vitamin E – An anti-oxidant that protects the skin from free radicals damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking, drinking).
- Vitamin A – Studies have shown that Vitamin A helps increase the skin elasticity and normalizes dry parched skin.
- Squalene – Known as the closest comparable ingredient to human sebum it provides the velvety feel that soothes the skin while replacing the necessary oils. Derived from olive pits this natural emollient soothes, softens and lubricates the skin.
- Sodium Hyaluronate – Known as an excellent humectant and emollient which moisturizes, lubricates and soothes the skin.
- Yeast Extract – Has been known to stimulate the skin's immune system cells to work harder. Also known to help in repairing weakened support systems that allow skin to sag and wrinkle.

LIST OF INGREDIENTS:

Deionized Water, Octyl Palmitate, Glycerin, Neopentyl Glycol, Dicaprylate/Dicaprate, Stearic Acid, PPG-2 Myristyl Ether Propionate, DEA Cetyl Phosphate, Squalene, Cetyl Alcohol, Farnesyl Acetate, Farnesol, Panthenyl Triacetate, Retinyl Palmitate (Vitamin A), Yeast Extract, Bisabolol, Sodium Hyaluronate, Tocopheryl Acetate (Vitamin E), Hydolyzed Elastin, Beta Carotene, Dimethicone, Triethanolamine, Carbomer, Orange Oil, Methylparaben, Propylparaben, DMDM Hydantoin.

Glycolic Gel Renewel

A WATER-BASED FORMULATION…

This **water-based** formula ***moisturizes without oiliness***. The **Glycolic Gel Renewal**, true to its name, is a gel-like consistency that forms a **protective barrier** to **prevent bacteria** on the skin surface which can contribute, to acne and blemishes. It conditions oily skin and helps **clarify** problem-blemished skin. Glycolic Acid, a natural exfoliating ingredient, encourages the skin to shed its surface coating of dead cells. Using on a daily basis will help diminish fine lines, scarring and skin discolorations. Roseacea conditions such as inflammation accompanied by skin eruptions can benefit from this formula. (*Daytime use: Apply Glycolic Gel before applying the Renewal Advanced Protection SPF 30.*) *(Nighttime use: Apply the Matrix Booster before applying the Glycolic Gel Renewal for nighttime use.)* Roseacea clients need to use sun protection such as the Advanced Protection SPF 30. As much as 65% of irritation can be caused by the UVA and UVB ultraviolet rays.

APPEARANCE

Light pink gel with fresh fragrant scent

USE

Apply all over face and neck area after thoroughly cleansing skin. Avoid eye area.

KEY INGREDIENTS

- Glycolic Acid – A natural derived Alpha Hydroxy Acid found in Sugar Cane. Studies have shown Glycolic Acid is an exfoliant that encourage production of collagen and cell turnover.
- Vitamin E – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking and drinking).
- Vitamin A – Studies have shown that Vitamin A increases the skin elasticity, and normalizes dry, parched skin.
- Camellia Oleifera Extract – Thea Sinenisis Extract (Japanese Green Tea Extract). This extract helps reduce skin irritation and redness. Japanese Green Tea Extract acts as an effective antioxidant to scavenge free radicals.
- Sodium Hyaluronate – Known as an excellent humectant and emollient, which moisturizes, lubricates and soothes the skin.
- Squalane – A naturally derived ingredient found in olives has been known to be the closest comparable ingredient to human sebum, providing softness while replacing necessary oils.
- Yeast Extract – Has been known to stimulate the skin's immune system cells to work harder. Also known to help in repairing weakened support systems that allow skin to sag and wrinkle.

LIST OF INGREDIENTS:

Aloe Barbardensis Leaf Juice, SD Alcohol 40, Aqua, Glycolic Acid, Butylene Glycol, Hydroxyethylcellulose, Sodium Hydroxide, Phenoxyethanol, Camellia Oleifera Leaf Extract

(Japanese Green Tea), Chamomile Extract, Cucumber Extract, Althea Officinalis Root Extract, Sodium Hyaluronate, Yeast Extract, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Squalene, Cyanocobalamin, Polysorbate-80, Tetrasodium EDTA, Sodium Hydroxide, Non sensitizing Fragrance.

Luminous Peptide Serum

AN INCREDIBLE NEW FORMULA….

This is a very new formula that contains **palmitoyl pentapeptide**. Palmitoyl pentapeptide is a **five-sided molecule** consisting of collagen fragment peptides **lysine, threonine** and **serine**, combined with **palmitoyl,** a fatty acid derivative of interferon-alpha. Both its high **absorption rate** and **fibroblast-stimulating property**, clinical research shows, make palmitoyl pentapeptide an **effective collagen booster**. And, increased collagen production reduces the appearance of wrinkles. Clinical test results with **Palmitoyl Pentapeptide** – 4 (Matrixyl) have shown a reduction of deep wrinkles **44%**, a reduction of main wrinkle density **37%**, and a lifting effect increase by **16%**.

Other clinical test results with Bellis Perennis (Daisy) Flower Extract showed a reduction of melanin formation and anti-oxidative activity as well as significant lightening effects. Results of a comparative study conducted with Belides (Daisy) Flower Extract and Arbutin (another trademark lightener that has been a popular ingredient), used at equivalent polyphenol concentrations, showed that (Daisy) Flower Extract was twice as active as Arbutin.

USE

Apply to cleansed skin before moisturizer or sun protection.

KEY INGREDIENTS

- Red Maine Algae (Ahnfelita Conccina Extract) – increases skin hydration significantly with enzymes and mineral naturally found in this algae extract, which is indigenous to the Hawaiian Islands.
- Sodium Hyaluronate – Holds up to a thousand times its weight in moisture retention properties.
- Lightening ingredients to even out skin tone
- Bearberry Extract (Uva Ursi Extract) Licorice Extract and Daisy Extract
- Antioxidants - Co Q10, Vitamins C & E, and Green Tea Extract, fight free radicals that damage skin causing anti aging effects.
- Acetyl Hexapeptide -3 (Argerline)
- Topical botox which relaxes the muscles that cause deep wrinkles around the forehead.

LIST OF INGREDIENTS:

Aqua, Glycerin, Butylene Glycol, Carbomer, Polysorbate 20, Palmitoyl Pentapeptide-4 , Polysorbate 80, Bellis Perennis (Daisy) Flower Extract, Sodium Hyaluronate, Arctostaphylos Uva Ursi Leaf Extract (Bearberry Extract), Centella Asiatica Extract, Echinacea Angustifolia Extract, Glycyrrhiza Glabra (Licorice) Leaf Extract, Camellia Sinensis Leaf Extract, Acetyl Hexapeptide-3 (Argerline), Ahnfelitia Concinna Extract (Red Marine Algae), Squalane, Ubiquinone (Co Q 10), Tetrahexyldecyl Ascorbate (Vitamin C), Tocopheryl Acetate (Vitamin E), Panthenol, Mentha Piperita (Peppermint) Leaf Oil, Lavandula Angustifolia (Lavender Oil), Xanthan Gum, Pottassium Sorbate, Phenoxyethanol, Caprylyl Glycol.

Peptide Treatment Lotion with Co -Q10

ABOUT THIS FORMULA….

This treatment incorporates Peptides, which help reduce surface areas of deep wrinkles and contribute to thickening of the epidermis by promoting collagen renewal. Studies have shown an increase in skin thickness of 4%, reduction in depth of wrinkles by 23% and reduction of depth of main wrinkle (crow's feet) by 39% within 4 weeks. CoQ10, known for boosting skin repair, and reducing free radical damage, also included in this lotion. Anti-oxidants of Japanese Green Tea, Vitamin E and C protect the skin from environmental damage.

APPEARANCE

Translucent light lotion, scented with Lemongrass essential oil.

USE

Use twice daily for extra hydration after thoroughly cleansing skin. This "light" treatment lotion can be used under a daily moisturizer, sunscreen or night crème.

KEY INGREDIENTS

- Palmitoyl Oligopeptide – Clinical studies as shown above. This peptide helps to protect the skin's collagen from the effects of UVA and contributes to thickening of the epidermis by promoting collagen renewal. This ingredient also has stimulatory activity comparable to that of retinoic acid, but without its drawbacks of irritation.
- **Definition of Peptides**: A short chain of amino acids. In the body peptides regulate the activity of other molecules such as proteins to help repair and condition the skin.
- CoQ10 – Ubiquinone – is a vitamin like nutrient that resides in the mitochondrial cell membrane. CoEnzyme Q 10 is known for "cellular energy source".
- Japanese Green Tea – Anti-oxidant, anti-inflammatory properties.
- Tetrahexyldecyl Ascorbate – Vitamin C, anti-oxidant, anti-inflammatory properties.
- Squalene – Plant source found in olives, has been known to be the closest comparable ingredient to human sebum, providing softness while replacing necessary oils.

LIST OF INGREDIENTS:

Agua, Glyceryl Polymethacrylate, Butylene Glycol, Palmitoyl Oligopeptide, Polyacrylamide, C13-14 Isoparaffin, Laureth-7, Laureth-7, Tridecyl Stearate, Neopentyl Glycol Dicaprylate/Dicaprate, Tridecyl Trimellitate, Sorbitol, Squalane, Ubiquinone (CoQ10), Tetrahexyldecyl Ascorbate (Vitamin C), Tocopheryl Acetate (Vitamin E), Camellia Sinensis Leaf Extract (Chamomile Extract), Camellia Oleifera Leaf Extract (Green Tea Extract), Biosaccharide Gum-1, Cymbopogon Schoenanthus Oil (Lemongrass), Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol.

Rapid Response Line Filler

THE BEST WAY TO SMOOTH OUT WRINKLES…

This is one of the most sought-after products in our inventory. The **Rapid Response Line Filler** is a non-invasive alternative to cosmetic surgery and wrinkle fillers such as Restylane. It incorporates micro-spheres containing **Hyaluronic Acid** that penetrate into varying depths of the skin folds and trap water in the fine lines and wrinkles.

APPEARANCE

White crème, fragrance free.

USE

Apply to thoroughly cleansed skin. For best results apply a moisturizer or serum to the skin before you apply the Rapid Response Line Filler. Results are immediate after application and last for hours after application. Apply twice daily for maximum results and to increase hydration levels on the skin surface.

FACTS ABOUT HYALURONIC FILLING SPHERES

- Hyaluronic Filling Spheres are composed of a mixture of high and low molecular weight hyaluronic acids perfectly accepted by skin tissue. They are incorporated in the oily phase of this formulation in a dehydrated form to better penetrate the skin.
- When applied they easily lodge in skin tissue depressions (wrinkles) where they progressively but rapidly rehydrate by taking up water that evaporates from the skin. This physical action leads to a volume change of Hyaluronic Filling Spheres in the epidermis that almost immediately smooths deep wrinkles such as expression wrinkles. At the same time this action increases the long-term hydration of the upper layers of the epidermis.
- Clinical test results show a decrease of **–7.5%** in forehead expression wrinkles after one hour and up to **-12%** after 6 hours.

KEY INGREDIENTS

- Squalene – replenishes moisture loss
- Sodium Hyaluronate – traps moisture to the skin
- Bambusa Vulgaris Extract – Bamboo Extract rich in minerals
- Tetrahexyldecyl Ascorbate – Vitamin C
- Ahnfelitia Concinna Extract – Bio-fermentation Red Marine Algae from Hawaiian Islands incorporates enzymes and minerals that are beneficial to the skin and increases hydration.

LIST OF INGREDIENTS:

Aqua/ Water, Helianthus Annuus (Sunflower) Seed Oil, Stearic Acid, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate, Copolymer, Squalane, Polysorbate 60, Cetyl Esters, Cetyl Alcohol, Caprylic/Capric/Myristic/Stearic Triglyceride, Glyceryl Stearate, PEG-100 Stearate, Ethylhexyl Palmitate, Silica Dimethyl Silylate, Butylene Glycol, Sodium Hyaluronate, Methyl Gluceth-20, Ethylhexyl Methoxycinnamate, Caprylic/Capric Triglyceride, Bambusa

Vulgaris Extract, Glucosamine HCI, Tetrahexyldecyl Ascorbate, Ahnfelitia Concinna Extract, Dimethicone, Polysorbate 20, Tetrasodium EDTA, Phenoxyethanol.

Refreshing Anti-Puff Eye Gel

With CoQ 10 & Peptides - Anti-Aging For Puffy Eyes, Eye Bags, Fine Lines and Wrinkles

ABOUT THIS ANTI-AGING FORMULA…

You can easily use this lightweight cooling gel with other moisturizers or sun protection formulas. The **Refreshing Anti-Puff Eye Gel** is a unique blend of essential oils that de-congest puffy eyes. Clinical results have shown that **65%** of subjects had a decrease in eye bag thickness after **28 days**. Testing also indicated a **25%** reduction of capillary permeability.

USE

Apply to cheekbone area and puffy eyes. Can be used under moisturizer or special treatment/serum and before applying makeup.

KEY INGREDIENTS

- Hesperidin Methyl Chalcone decreases capillary permeability (reducing redness from capillary)
- Dipeptide –2 (reduces water retention)
- Palmitoyl Tetrapeptide-3. (Matrxyl) Resgistered trademark name improves firmness, elasticity and inflammation.
- Mentha Arvensis Leaf Oil
- Citrus Medica Limonum (Lemon) Peel Oil
- Cupressus Sempervirens Oil
- Lavandula Hybrida (Lavander) Oil

ANTIOXIDANTS

Co Q10 , and Japanese Green Tea fight free radicals that damage skin causing anti effects.

LIST OF INGREDIENTS:

Aqua, Butylene Glycol, Glycerin, Hesperidin Methyl Chalcone, Stereth-20, Dipeptide-2, Palmitoyl Tetrapeptide-3, Polysorbate 80, Ammonium Acryloyldimethyltaurate/VP Copolymer, Tocopheryl Acetate (Vitamin E), Tetrahexyldecyl Ascorbate (Vitamin C), Squalane, Ubiquinone (Co Q 10), Mentha Arvensis Leaf Oil, Citrus Medica Limonum (Lemon) Peel Oil, Cupressus Sempervirens Oil, Lavandula Hybrida Oil, Cistus Ladaniferus Oil, Glycyrrhiza Glabra (Licorice Root) Cucumis Sativus (Cucumber) Fruit Extract, Camellia Sinensis Leaf Extract (Japanese Green Tea), Echinacea Angustifolia Extract, Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol.

Restorative Marine Moisturizer

For Dry Dehydrated Skin

ABOUT THIS UNIQUE FORMULA…

Unique to this state-of-art moisturizers is **Red Marine Algae (Abnfelitia concinna)** that is naturally derived from **red marine algae** found in the Hawaiian Islands. This formula's activity is attributed to the highly functional bio-components naturally created by Ahnfeltia and genetically reproduced by proprietary bio-fermentation techniques.

This incredible formula improves moisturization, reduction of fine lines, increases skin firmness and elasticity and increases cell turnover. Also, studies have shown a substantial reduction in redness.

APPEARANCE

White full body crème with the essential oil scent of Bergamot Oil.

USE

Use twice daily after thoroughly cleansing skin. Soothes irritated and dehydrated skin due to sunburn, chemical peels, lazier treatments and harsh environmental conditions. This is an excellent hydrating treatment to be used after applying AHA/BHA Lipo Serum or Glycolic Renewal Gel. Can be used as a day or night crème.

KEY INGREDIENTS

- Sodium Hyaluronate – Known as a excellent humectants and emollient with moisturizers, lubricates and soothes skin.
- Vitamin E (Tocopheryl Acetate)-Anti-oxidant. Nourishes the skin and protects it from the breakdown of premature aging caused by free radical damage.
- Vitamin A (Retinyl Palmitate)-Studies have shown that Vitamin A helps the skin elasticity, and normalizes dry parched skin.
- Vitamin C – (Ascorbic Acid)- Anti-oxidant. Known to trigger the production of collagen.
- Ginseng Extract – Ginseng Extract is beneficial in this moisturizer for revitalizing and conditioning the skin. Used for thousands of years, and touted as a prolonger of life and cure for literally all human ills, not to mention being the cornerstone of a multimillion dollar ginseng trade.
- Rose Hip Extract – Extremely rich source of Vitamin C, containing ten times the amount contained in oranges. Rose Hips also contains Vitamin A, B, B2, E, K, and P as well as iron and copper compounds.
- Co Q 10 – Ubiquinone – is a vitamin like nutrient that resides in the mitochondrial cell membrane. Coenzyme Q 10 is known for cellular energy source.
- Ginkgo Biloba Extract – Known for its purifying and detoxifying properties.
- Horse Chest Nut Extract – Known for its healing properties. Also know as a vasoconstrictor, to reduce redness.

LIST OF INGREDIENTS:

Aqua, Caprylic/Capric Triglyceride, Glycine Soja (Soybean) Oil, Sorbitol, Stearic Acid, Cetyl Esters, Methyl Gluceth-20, Hydrogenated Soybean Glyceride, Butylene Glycol, Ahnfelitia Concinna Extract (Red Marine Algae), Sodium Hyaluronate, Ascorbic Acid, Tocopheryl Acetate, Retinyl Palmitate, Squalane, Ubiquinone (Co Q 10), Allantoin, Panax Ginseng Root Extract, Gingko Biloba Leaf Extract, Aesculus Hippocastanum (Horse Chestnut) Seed Extract, Symphytum Officinale Leaf Extract, Rosa Canina Fruit Extract, Anthemis Nobilis(Chamomile) Flower Extract, Hamamelis Virginia (Witch Hazel) Distillate, Citrus Aurantium Bergamia (Bergamot) Fruit Oill, Dimethicone, Polysorbate-20, Carbomer, Triethanolamine, Tetrasodium EDTA, Benzyl Alcohol, Imidazolidinyl Urea, Phenoxyethanol, Potassium Sorbate, Annato.

Sage & Citrus Moisturizer

For Normal, Combination and Problem Skin Types

SPECIALLY SELECTED INGREDIENTS…

This lightweight crème has special chosen ingredients to help to condition and tone skin. A combination of active botanicals including **Sage, Watercress** and **Lemon Bioflavonoids** purify and revitalize the complexion. The antioxidants V**itamin A, C** & **E** are also incorporated in this formula to protect and improve the skin's elasticity.

APPEARANCE

Lightweight white fluffy crème with natural essential oils of Sage, Grapefruit and Orange.

USE

Use twice daily after thoroughly cleansing and toning the skin. Apply all over face until crème disappears into skin. Men love this moisturizer. Provides moisture without feeling heavy or sticky to the touch.

KEY INGREDIENTS

- Lemon Bioflavoniods – Helps to balance oily skin. Brightens and clarifies the complexion.
- Watercress Extract – High in Vitamin A. It's natural anti-bacterial properties help acne and blemished skin conditions.
- Sage Extract – Valued for its medicinal properties. Purifies and stabilizes oily skin.
- Vitamin E & C – Both anti-oxidants that protect the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking, drinking).
- Vitamin A – Studies have shown that Vitamin A helps increase the skin elasticity, and normalizes dry parched skin.

LIST OF INGREDIENTS:

Agua, Aloe Barbadensis Leaf Juice, Diethylhexyl Adipate Stearic Acid, Sorbitol, Cetyl Alcohol, Xanthan Gum, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Ascorbic Acid (Vitamin C), Orange Oil, Sage Extract, Watercress Extract, Citrus Medica Limonum (Lemon Bioflavonoids) Peel Extract, Grapefruit Peel Extract, Dimethicone, PEG/PPG-14/4 Dimethicone, Carbomer, Imidazolidinyl Urea, Carbomer, Triethanolamine, Phenoxyethanol, Caprylyl Glycol.

Skin Lightener

For All Skin Types with Pigmentation Discoloration – With 3% Kojic Acid & 2% Hydroquinone

ABOUT THIS FORMULA…

Use of the gel can be continued until the spots have faded to satisfaction. This length of time varies per individual but results are typically noticeable within two weeks with continued progress afterward. Skin Lightener will help lighten and even out skin tone and discolorations.

APPEARANCE

Light gel, fragrance free. Stable formula doesn't turn brown. Non-irritating.

USE

Apply directly to discolored areas using a Q-tip after thoroughly cleansing skin. To lighten entire face, apply a small amount to facial and neck area. Avoid eye areas. Most effective when used at night. If using a Glycolic product or Retin A treatment, wait a few minutes before applying over skin lightener. Do not apply special treatment such as professional peels on top of this product. Use the Advanced Protection SPF 30 during the day to protect the skin from further exposure to UVA and UVB rays. Sun exposure should be limited to prevent darkening from recurring.

KEY INGREDIENTS

- Kojic Acid – Extracted from a species of mushroom and has a melanogenesis inhibitory effect on UV – induced hyper pigmentation.
- Hydroquinone – A white crystalline phenol that occurs naturally; used to fade hyper pigmentation.

ACTIVE INGREDIENTS

2% Hydroquinone.

LIST OF INGREDIENTS:

Aqua, SD Alcohol 40, Butylene Glycol, Kojic Acid, Hydroxyethylcellulose.

Masques

Aloe & Azulene Masque

For Dry and Dehydrated, Sensitive Skin Types

ABOUT THIS SOOTHING FORMULATION…

The well-known effects of **Aloe** and **Azulene** soothe and reduce irritation. Included in this formulation is **essential oil of Lavender** that cools the skin and refreshes the senses. A great treatment to use after waxing, extractions, professional Glycolic treatments and laser treatments.

APPEARANCE

Cool blue gel with refreshing scent of Lavender

USE

Use two to three times a week after thoroughly cleansing the skin. Apply all over face and neck, avoiding eye area. Allow 10 to 15 minutes to set. Remove with warm washcloth. Follow with toner and moisturizer. This masque is very soothing for irritated and dehydrated skin due to sunburn, chemical peels and laser treatments.

KEY INGREDIENTS

- Aloe Vera Gel – Aloe has been known for its anesthetic, antibacterial, and tissue restorative properties. The alloin free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.
- Azulene – A deep blue crystalline substance extract from the essential oil of matricaria and chamomile flowers; known for its superior soothing properties. The deep blue color of Azulene is used as a natural colorant and also used for its herbal scent in cosmetics. It is the most expensive part of the plant.
- Sodium Hyaluronate – Known as an excellent humectant and emollient, which moisturizes, lubricates and soothes the skin.
- Hydrolyzed Glycosaminoglycans – Found naturally in the interstitial spaces between epidermal cells where they act as lubricating moisturizers. Enhances elasticity and flexibility in the skin.
- Thea Sinensis (Camellia Oleifera Extract) – Japanese Green Tea Extract – this extract helps reduce the skin irritation and redness. Japanese Green Tea Extract acts as an effective antioxidant to scavenge free radicals.

LIST OF INGREDIENTS:

Agua, Aloe Barbadensis Leaf Juice, Glycereth 26, Sodium Hyaluronate, Hydrolyzed Glycosaminoglycans, Thea Sinensis Extract (Japanese Green Tea), Centaurea Cyanus Flower Extract (Comfrey Extract), Symphytum Officinale Leaf Estract (Cornflower Extract), Lavender Oil, Azulene, Triethanolamine, Polysorbate 20, Disodium EDTA-Copper, Xanthan Gum, Carbomer, Diazolidinyl Urea, DMDM Hydantoin.

Soft Papaya & Pumpkin Masque

For All Skin Types

A VERY SPECIAL MASQUE..

This unique masque incorporates a special active Papaya Enzyme in a crème base masque to re-texture and smooth the surface of the skin. Beeswax and Avocado Oil moisturize and hydrate to soften dry parched skin. Tapioca Starch and Kaolin clay tighten the surface of the skin to clarify and condition. Extracts of Pumpkin Seed and Comfrey have clarifying and healing properties. Japanese Green Tea acts as an anti-oxidant to reduce redness and irritation. Gentle enough to be used two to three time a week.

APPEARANCE

Soft thick and creamy light orange masque.

USE

Use one to two times weekly, immediately following thorough cleansing and toning. Apply a thick layer of creamy masque all over face and neck area, allow to set for 15 to 20 minutes. Avoid eye area. To remove, place cotton pads over eyes, and sponge off masque with a warm cloth. Finish by rinsing thoroughly. This masque can also be used as a hand masque. Slight tingling may occur from the Papaya and Pumpkin, however redness should not occur. If the sting is too strong remove masque with cold water.

KEY INGREDIENTS

- Tapioca Starch – Has tightening and toning properties.
- Kaolin Refined Clay– Excellent absorbent, tightening and toning properties.
- Avocado (Persea Gratissima) Oil- Rich in Vitamins B2, D, A, E, & K.
- Papain Carbomer Conjugate – A special active linked papain from the papaya fruit. This papain stays active in a crème based product unlike the powder versions on the market.
- Camellia Oleifera Extract (Japanese Green Tea) – helps to reduce skin irritation and redness. This ingredient is also known for its anti-oxidant properties to scavenge free radicals.
- Pumpkin Seed Extract – Known for its clarifying and astringent properties.

LIST OF INGREDIENTS:

Aqua, Tapioca Starch, Glyceryl Stearate, PEG-100 Stearate, Kaolin, Cetearyl Alcohol, Polysorbate 60, Persea Gratissima (Avocado) Oil, Cetyl Alcohol, Papain Carbomer Conjugate – 1, Butylene Glycol, Cucurbita Pepo (Pumpkin) Fruit Extract, Camellia Oleifera Extract (Japanese Green Tea), Comfrey Extract Symphytum Officinale (Comfrey), Beeswax, Non sensitizing Fragrance, Potassium Sorbate, Benzyl Alcohol, Phenoxyethanol, Annatto.

Clarifying Camphor Masque

For Oily and Acne Prone - Combination Skin and Oily T Zone

ABOUT THIS FORMULATION…

This medicinal masque purges skin to remove toxins and debris. When used regularly it helps remove excessive oils, prevent occlusion of pores and manage and control oily blemished skin. Leaves a brighter fresher looking complexion.

APPEARANCE

White creamy masque with the distinctive aroma of natural Camphor.

USE

This masque can be used daily for severe acne or problematic skin conditions. For combination skin types the recommended use would be two to three times a week to control excessive oiliness or occasional blemish. This Camphor Masque can also be applied directly to blemish at night as a leave on treatment. Always apply masque to the skin after thoroughly cleansing the toning. Apply all over facial and neck area and allow to set 15 to 20 minutes. Avoid the eye area. To remove in a facial setting place cotton pads over eyes, and sponge off masque with a cool cloth. Finish by rinsing thoroughly.

KEY INGREDIENTS

- Camphor – A fragrant thick oil derived from the wood of the Cinamonum caphora tree of the Far East. Refreshes and calms irritated red skin conditions.
- Bentonite – A fine clay very effective drawing and tightening mineral clay.
- Colloidal Sulfur – Naturally occurring element known for its cleansing, healing, and purifying properties. Excellent ingredient for oily skin types.

LIST OF INGREDIENTS:

Deionized Water, Titanium Dioxide, Colloidal Sulfur, SD Alcohol 40-A, Quaternium 26, Stearic Acid, Bentonite, Glyceryl Stearate, Polysorbate 20, Glycerin, Triethanolamine, Talc, Bees Wax, Camphor, Cetyl Alcohol, Methylparaben, Propylparaben, Imidazolidinyl Urea.

Antioxidants

Blueberry & Coffee Bean Exfoliating Cleanser

For All Skin Types - With Resveratrol & Enzymes of Papaya

ANTIOXIDANT EXFOLIATOR…

Exfoliating with this new **Blueberry & Coffee Bean Exfoliating Cleanser** is an important step to a smoother skin texture. It removes dead skin from the surface of the skin and will allow other formulas to be absorbed quickly. After rinsing thoroughly with cool water, follow with a day or night moisturizer or special serum.

APPEARANCE

Translucent exfoliating gel cleanser, with the light scent of natural berries.

USE

Apply to face and neck with circular motion without pressure. Rinse thoroughly with cool water.

KEY INGREDIENTS

High-powered anti-oxidant fruit blend and anti-aging peptides provides new ways to quench the skin's need for free radical fighting power.

Unique Anti-Oxidant Blend Includes:

- Reservatrol – One of the most powerful antioxidants, high in proanthocyanidins, a group of bioflavonoid superior to most because they are water soluble and much more easily assimilated by the body. A hard-working free radical scavenger, it prevents skin cell damage caused by sun exposure and pollution.
- Theobroma Cacao (Cocoa) Seed – High levels of antioxidant polyphenols (natural anti-oxidant.
- Vitis Vinifera (Grape) Fruit Extract – High ranking Polyphenols (natural anti-oxidant)
- Coffea Arabica (Coffee) Extract- High ranking Polyphenols (natural anti-oxidant) the fruit of the coffee plant. Known to have anti-inflammatory properties.
- Camellia Sinensis (Green Tea) Leaf Extract – Anti-inflammatory botanical
- Gellidiela Acerosa extract – Algae Extract with beneficial enzymes & minerals
- Garcinia Mangostana Peel Extract- Anti Inflammatory fruit, high in anti-oxidants known as xanthones.
- Elettaria Cardamomum Seed extract – member of the ginger family
- Saberry Fruit Extract – Anti-oxidant with antiseptic properties.
- Papaya Fruit Extract – Natural Enzyme to digest dead skin cells to reveal fresh youthful skin texture.

LIST OF INGREDIENTS:

Aloe Barbadensis Leaf Extract, Cocamidopropyl Betaine, Acrylates Copolymer, Disodium Laureth Sulfosuccinate, Sodium Cocoyl Isethionate, Glycerin, Polyethylene, PEG-18 Glyceryl Oleate/Cocoate, Resveratrol, Coffea Arabica (Coffee) Extract, Vaccinium Angustifolium (Blueberry) Fruit Extract, Emblica Officinalis (Saberry) Fruit Extract, Theobroma Cacao (Cocoa)

Seed Extract, Camellia Sinensis Leaf Extract, Garcinia Mangostana Peel Extract, Vitis Vinifera (Grape) Fruit Extract, Carica (Papaya) Fruit Extract, Lycium Chinense (Goji Berry) Extract, Punica Granatum (Pomegranate) Extract, Euterpe Oleracea (Acai) Extract, Vaccinium Angustifolium (Blueberry) Seed, Hamimelis Virginiana (Witch Hazel) Tocopheryl Acetate, Retinyl Palmitate, Allantoin, Panthenol, Sorbitol, Phenoxyethanol, Caprylyl Glycol, Sorbic Acid, Sodium Hydroxide.

Super Lashurious Treatment

Alternative to Expensive "Latisse" Prescription Only Formulas
With Peptides, Resveratrol and Hyaluronic Acid

YOUR INCREDIBLE LONG LASHES…

Lengthen and **boost** thin or damaged lashes. This incredible new formula will **improve** and **condition** your natural eyelashes for a **fuller** and **more youthful** lash line.

USE

Using the applicator brush, apply to the top of your eye on upper and lower lid lash line. The formula is slightly gelled to prevent product from running in to the eye area after application. After application the gel should dry quickly. Allow the product to dry before using make up or mascara. You will notice that mascara will glide easier on your lashes after application of the LASHURIOUS Lash Lengthener.
To see quicker results use morning and night after cleansing your face. Using this product daily will give you a consistent thick lash line.

KEY INGREDIENTS

- Unique Anti-Oxidant Blend includes:
- Reservatrol – One of the most powerful antioxidants around, high in proanthocyanidins, a group of bioflavonoids superior to most because they are water soluble and much more easily assimilated by the body. A hard-working free radical scavenger, it prevents skin cell damage caused by sun exposure and pollution.
- Theobroma Cacao (Cocoa) Seed – High levels of antioxidant polyphenols (natural anti-oxidant.
- Vitis Vinifera (Grape) Fruit Extract- High ranking Polyphenols (natural anti-oxidant)
- Coffea Arabica (Coffee) Extract- High ranking Polyphenols (natural anti-oxidant)
- Camellia Sinensis (Green Tea) Leaf Extract- Anti-inflammatory botanical
- Gellidiela Acerosa extract- Algae Extract with beneficial enzymes & minerals
- Garcinia Mangostana Peel Extract- Anti Inflammatory fruit, high in anti-oxidants known as xanthones.
- Elettaria Cardamomum Seed extract- Member of the ginger family
- Myristoyl Pentapeptide-16 – Myristoyl Pentapeptide-17 – Significantly stimulates Keratin genes which lengthens lashes and brows.

LIST OF INGREDIENTS:

Aqua, Glycerin, Myristoyl Pentapeptide-17, Myristoyl Pentapeptide-16, Hyaluronic Acid, Resveratrol, Emblica Officanalis (Saberry) Fruit Extract, Coffea Arabica (Coffee) Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Vitis Vinifera (Grape) Fruit Extract, Theobroma Cacao (Cocoa) Seed Extract, Camellia Sinensis Leaf Extract, Garcinia Mangostana Peel Extract, Lycium Chinense (Goji Berry) Extract, Punica Granatum (Pomegranate) Extract, Euterpe Oleracea (Acai) Extract, Allantoin, Panthenol, Pentylene Glycol, Acrylates/C10-30 Alkyl

Acrylate Crosspolymer, Panthenyl Ethyl Ether, Phenoxyethanol, Ethylhexylglycerin, Triethanolamine.

Sheer Berry Antioxidant Serum

For All Skin Types

HIGH POWERED ANTIOXIDANT ANTI-AGING…

High-powered **anti-oxidant fruit blends** and **anti-aging peptides** provide new ways to quench the skin's need for protection and free radical fighting power.
This product was launched last March (2010) and has become one of the be the best-selling formulas we offer. Tested for its potency, this serum contains an **ORAC value** (Oxygen Radical Absorbance Capacity) of **2000 units per gram**. This far exceeds the recommended "high" range of 150-300 units per gram provided by independent tester Brunswick Labs. A combination of fruit acids, resveratrol and peptides will truly set the new standard of performance for antioxidant formulations.

APPEARANCE

Lightweight serum creamy orange/beige. Natural scent of berries.

USE

Apply to cleansed skin before moisturizer or sunscreen for DAYTIME use. During the day your exposure is higher to free radicals, however this can be used at night in addition to your nighttime regimen if needed. At night apply Serum before moisturizer. This formula can be used with your existing product regimen

KEY INGREDIENTS

- Resveratrol- One of the most powerful antioxidants around, high in proanthocyanidins, a group of bioflavonoids superior to most because they are water soluble and much more easily assimilated by the body. A hard-working free radical scavenger, it prevents skin cell damage caused by sun exposure and pollution.
- Theobroma Cacao (Cocoa) Seed -High levels of antioxidant polyphenols (natural anti-oxidant.
- Vitis Vinifera (Grape) Fruit Extract High ranking Polyphenols -(natural anti-oxidant)
- Coffea Arabica (Coffee) Extract High ranking Polyphenols -(natural anti-oxidant)
- Camellia Sinensis (Green Tea) Leaf Extract- Anti-inflammatory botanical
- Gellidiela Acerosa extract Algae Extract -with beneficial enzymes & minerals
- Garcinia Mangostana Peel Extract Anti- inflammatory fruit, high in anti-oxidants known as xanthones.
- Elettaria Cardamomum Seed extract Member of the ginger family.
- Palmitoyl Tripeptide-3 Advanced Peptide- One of the newer Peptides on the market, clinically tested to improve fine lines and wrinkles, and has skin firming and moisturizing properties. An effective alternative to collagen injection. Increases Collagen synthesis. This Palmitoyl Tripeptide-3 is the first Tissue Growth Factor BOOSTER on the market.

LIST OF INGREDIENTS:

Aloe Barbadensis Leaf Extract, Vitis Vinifera (Grape) Fruit Extract, Caprylic/Capric Triglyceride, Glycerin, Camellia Sinensis (Green Tea) Leaf Extract, Squalane, Cetyl Alcohol, Stearic Acid, Isodecyl Neopentanoate, Dimethicone, Cetearyl Alcohol, Pentylene Glycol, Ethoxydiglycol, Ceteareth 20, Resveratrol, Palmitoyl Tripeptide-3, Hyaluronic Acid, Glycosaminoglycans, Soluble Marine Collagen, Soluble Marine Elastin, Coffea Arabica (Coffee) Extract, Emblica Officinalis (Saberry) Fruit Extract, Theobroma Cacao (Cocoa) Seed Extract, Camellia Sinensis Leaf Extract, Garcinia Mangostana Peel Extract, Lycium Chinense (Goji Berry) Extract, Punica Granatum (Pomegranate) Extract, Euterpe Oleracea (Acai) Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Lavandula Angustifolia (Lavender) Extract, Elettaria Cardamomum Seed Extract, Olea Europaea (Olive) Oil, Tocopheryl Acetate, Retinyl Palmitate, Ascorbic Acid, Panthenol, Xanthan Gum, Hydroxyethyl Acrylate, Sodium Acryloyldimethyl Taurate Copolymer, Polysorbate 60, Carbomer, Tetrasodium EDTA, Phenoxyethanol, Carprylyl Glycol, Sorbic Acid, Triethanolamine

Super Radiant Antioxidant Moisture Creme

For All Skin Types

SUPER RADIANCE WITH ANTIOXIDANTS…

This is another formula that incorporates **high-powered anti-oxidant fruit blends** and **anti-aging peptides** to provide new ways to quench the skin's need for protection as well as provide free radical fighting power.

APPEARANCE

Lightweight White Cream

USE

Apply to cleansed skin after using High Anti-oxidant Serum. This Anti-Oxidant Moisture Crème can be used with other Serums and any skin care regimen already in use. Can be applied morning or night.

KEY INGREDIENTS

Unique Anti-Oxidant Blend Includes:

- Resveratrol – One of the most powerful antioxidants around, high in proanthocyanidins, a group of bioflavonoids superior to most because they are water soluble and much more easily assimilated by the body. A hard-working free radical scavenger, it prevents skin cell damage caused by sun exposure and pollution.
- Theobroma Cacao (Cocoa) Seed – High levels of antioxidant polyphenols (natural anti-oxidant.
- Vitis Vinifera (Grape) Fruit Extract- High ranking Polyphenols (natural anti-oxidant)
- Coffe Arabica (Coffee) Extract High ranking Polyphenols (natural anti-oxidant)
- Camellia Sinensis (Green Tea) Leaf Extract- Anti-inflammatory botanical
- Gellidiela Acerosa extract – Algae Extract with beneficial enzymes & minerals
- Garcinia Mangostana Peel Extract- Inflammatory fruit, high in anti-oxidants known as xanthones.
- Elettaria Cardamomum Seed extract- member of the ginger family
- Daisy Extract – Clinical levels; Clinical test results with Bellis Perennis (Daisy) Flower extract; reduction of melanin formation, and anti-oxidative activity, and significant lightening effects.
- Palmitoyl Tripeptide-3 Advanced Peptide clinically tested to improve fine lines and wrinkles and has skin smoothing and moisturizing properties. This Palmitoyl Tripeptide - 3 is the first tissue growth factor BOOSTER on the market.
- Sargassum Filipendula extract Seaweed Extract Harvested in Brazil. This seaweed extract is an excellent moisturizing and humectant ingredient which softens the skin

LIST OF INGREDIENTS:

Aloe Barbadensis Leaf Extract, Caprylic/Capric Triglyceride, Glycerin, Squalane, Hypnea Musciformis Extract, Cetearyl Alcohol, Sorbitol, Butylene Glycol, Ceteareth-20, Stearic Acid,

Sargassum Flipendula Extract, Hyaluronic Acid, Glycosaminoglycans, Lactic Acid, Palmitoyl Tripeptide-3, Resveratrol, Coffea Arabica (Coffee) Extract, Emblica Officinalis (Saberry) Fruit Extract, Vitis Vinifera (Grape) Fruit Extract, Gellidiela Acerosa Extract, Theobroma Cacao (Cocoa) Seed Extract, Camellia Sinensis Leaf Extract, Garcinia Mangostana Peel Extract, Bellis Perennis (Daisy) Flower Extract, Camellia Sinensis (White Tea) Leaf Extract, Cucumis Sativus (Cucumber) Fruit Extract, Lycium Chinense (Goji Berry) Extract, Punica Granatum (Pomegranate) Extract, Euterpe Oleracea (Acai) Extract, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopheryl Acetate, Retinyl Palmitate, Sodium PCA, Allantoin, Panthenol, Sorbitol, Xanthan Gum, Glyceryl Stearate, PEG-100 Stearate, Cyclomethicone, Dimethicone, Polyacrylamide, C13-14 Isoparaffin, Laureth-7, Trehalose, Polyquaternium-51, Phenoxyethanol, Caprylyl Glycol, Sorbic Acid, Sodium Hydroxide.

Studio Series

AHA Mint Masque

For All Skin Types

ABOUT THIS MASQUE FORMULA…

This scientifically designed combination of natural ingredients **glycolic, lactic, citric** and **ascorbic acids** help stimulate cells to **shed smoothly** and **rapidly.** The absorbent and toning effects of **Bentonite clay** clarifies problem skin. **Sea Kelp** and **Horsetail Extract** provide softness and skin conditioning properties.

USE

Use one or twice weekly, immediately following thorough cleansing and toning. Apply all over face and neck area; allow masque to set for 15 to 20 minutes. Avoid eye area. Sponge off masque with a warm washcloth. Finish by rinsing thoroughly.

APPEARANCE

Light mint green, natural Rosemary and Spearmint oils.

KEY INGREDIENTS

- Fruit of Kiwi, Grape, and Honey Extract – A natural blend of Alpha Hydroxy Acids (glycolic, lactic, citric, and ascorbic acids) that provide effective exfoliation without irritation. These acids help in breaking down the dead skin layer on the surface of the skin and encourages production of collagen and cellular turnover.
- Bentonite – Refined clay very effective in drawing out skin impurities.
- Horsetail Extract – This herb has been used therapeutically since the 16th century, specifically in the healing of wounds. It has been used to reduce swelling. The silica acid inherent in the herb has also been effective in stabilizing scar tissue.
- Sea Kelp – A seaweed found in the colder coastal waters of North America. High in silicon, which is believed to help the skin from wrinkling and sagging.
- Aloe Vera Gel – Aloe has been known for its anesthetic, antibacterial, and tissue restorative properties. The aloin free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.

LIST OF INGREDIENTS:

Agua, Bentonite, Glyceryl Stearate, Aloe Vera Gel, Glycerin, Kiwi Extract, Grape Extract, Honey Extract, Titanium Dioxide, Zinc Oxide, SD Alchol-40, C12-15 Alkyl Benzoate, Sodium Laureth Sulfate, Horsetail Extract, Sea Kelp Extract, Spearmint Oil, Acacia Gum, Rosemary Oil, Butylene Glycol, Diazolidinyl Urea, Chromium Oxide Green

Oxygen Revitalizing Cleanser

For All Skin Types

AWAKEN YOUR SKIN…

This **invigorating** and **revitalizing cleanser** awakens the skin with **Ginseng, Orchid Extract** and **Glycoproteins.** These key ingredients help to stimulate the skin promoting ***oxygen-revitalizing effects*** — which is lost with aging. **Japanese Green Tea** is incorporated in this cleanser to soothe delicate skin. Special smart pump will lock in place when traveling. Turn to prevent leaking.

APPEARANCE

Light pink pearled lotion liquid

USE

Use twice daily. Gently massage with fingertips on face and neck area. Rinse with warm washcloth. Can be used as a shaving lotion for a close smooth shave.

KEY INGREDIENTS

- Decyl Glucoside – Natural corn derived surfactant with moisturizing properties. Very gentle for delicate skin.
- Glycoproteins – Known for rejuvenating and revitalizing properties.
- Rose Hips – Extremely rich source of Vitamin C, containing ten times the amount contained in oranges. Rose Hips also contains Vitamin A, B, B2, E, K, and P as well as iron and copper compounds.
- Japanese Green Tea Extract – Camellia Olifera Extract – This extract helps reduce skin irritation and redness. Japanese Green Tea Extract acts as an effective anti-oxidant to scavenge free radicals.

LIST OF INGREDIENTS:

Agua, PEG-80 Sorbitan Laurate, Sodium Trideceth Sulfate, PEG-150 Distearate, Cocamidopropyl Hydroxysultaine, Disodium Lauroamphodiacetate, Sodium Laureth-13 Carboxylate, Decyl Glucoside, Polysorbate 20, Aloe Barbadensis Leaf Juice, Algae Extract, Camellia Sinensis Leaf Extract, Orchid Extract, Persea Gratissima Fruit Extract, Panax Ginseng Root Extract, Rosa Canina Seed Extract, PEG-120 Methyl Glucose Dioleate, Hexylene Glycol, Glycol Stearate, Glycerin, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Triethanolamine, Imidazolidinyl Urea, Methylchloroisothiazolinone, Methylisothiazolinone, Essential oil blend scented, Food Grade Red 33.

Vital Hydrant Toner

For All Skin Types

EXCELLENT FOR SUPER SENSITIVE SKIN…

This unique blend of vital extracts **refresh, hydrate** and **stimulate** sluggish skin. Ginseng Extract, Ginkgo Extract, Rosemary Extract and Glycoproteins promote **oxygen revitalizing properties** — which are lost with aging. Aloe Vera Barbadensis Gel, Chamomile Extract, Japanese Green Tea and Sea Kelp smooth the skin, while Lavender Oil calms the senses. The blend of three anti-oxidant vitamins A, E and C protect from free radical damage to the skin caused by the environment. Excellent for ultra sensitive skin.

APPEARANCE

Clear Slightly gelled with wonderful Lavender Oil scent.

USE

Use twice daily after thorough cleansing. Apply with flat cotton pad to the face, neck and chest area and let absorb into the skin before applying special treatment or moisturizer.

KEY INGREDIENTS

- **Aloe Barbadensis Gel** – Derived from the inner gel of the Aloe Plant to enhance the consistency of this formula, also hydrates and smoothes the skin. Aloe has been known for its anesthetic, antibacterial, and tissue restorative properties.
- **Ginseng Extract** – Ginseng Extract is beneficial in this toner for revitalizing and conditioning the skin. Used for thousands of years, and touted as a prolonger of life and cure for literally all human ills, not to mention being the cornerstone of a multimillion dollar ginseng trade.
- **Camellia Oleifera Extract** (Japanese Green Tea Extract) This extract helps reduce skin irritation and redness. Japanese Green Tea Extract acts as an effective antioxidant to scavenge free radicals.
- **Glycoproteins** – Known for its oxygenating, rejuvenating and revitalizing properties.
- **Vitamin A** – Increases the skin elasticity, and normalizes dry, parched skin.

LIST OF INGREDIENTS:

Deionized Water, Polysorbate-20, Ginseng (Panax Ginseng) Extract, Chamomile (Anthemis Nobilis) Extract, Ginkgo Biloba Leaf Extract, Camellia Sinensis Leaf Extract (Japanese Green Tea), Rosemary (Rosmarinus Officinallis) Extract, Fennel (Foeniculum Vulgare) Extract, Sea Kelp (Macrocystis Pyrifera) Extract, Ascorbic Acid (Vitamin C), Tocopheryl Acetate (Vitamin E), Retinyl Palmitate (Vitamin A), Glycoproteins, Lavender (Lavendula Augustifolia) Oil, Lemon Peel Oil (Citrus Medica Limonum)Sodium PCA, Sodium Chloride, Carbomer, Xanthan Gum, Triethanolamine, Diazolidinyl Urea, Phenoxyethanol.

Glycolic Moisture Creme

For All Skin Types

DAILY RE-CONDITIONING TREATMENT…

A daily reconditioning treatment containing natural fruit acids of **Grape, Lemon, Passionflower** and **Pineapple.** All of these natural fruits gently encourage the skin to shed its surface coating of dead cells. Usage on a daily basis will help diminish fine lines, scarring and skin discolorations.
Vitamin A E and C protect the skin from the damaging effects of free radicals and help improve elasticity. This formula is **Light weight** and **oil free**.

APPEARANCE

Off white light crème with essential oils of Lavender, Lemon, and Geranium.

USE

Use once or twice daily after through cleansing and toning skin. Follow with a moisturizer or special treatment. Avoid eye area. Follow up with moisturizer or make up. Sunscreen is recommended when using this product for daytime use.

KEY INGREDIENTS

- Glycolic Acid, Lactic Acid, Citric Acid, Tarataric Acid, are Alpha Hydroxy Acids and are derived from Grape, Lemon, Passionflower and Pineapple. Studies have shown Alpha Hydroxy Acids exfoliate the skin and encourages production of collagen and increases cell turnover.
- Salicylic Acid – A naturally derived Beta-Hydroxy Acid found in Willow Bark Extract. Encourages surface renewal for a smoother texture. Salicylic Acid is also known for its antiseptic properties.
- Glycoproteins – Its revitalizing capacity strengthens the skin's natural ability to protect itself against damaging environmental influences. Boosts skin's oxygen content and consumption with proven increase in cellular respiration.
- Vitamin E – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), certain lifestyle choices (smoking, drinking alcohol).
- Vitamin A – Increases the skin elasticity, and normalizes dry, parched skin.
- Tetrahexyldecyl Ascorbate – Vitamin C ester effective in increasing hydration levels, even skin tone, stimulation of collagen production.

LIST OF INGREDIENTS:

Agua, Glycolic Acid, Lactic Acid, Citric Acid, and Tartaric Acid (derived from Grape, Lemon, Passionflower and Pineapple), Aloe Barbadensis Gel, Caprylic/Capric Triglyceride, Glyceryl Stearate, PEG-100 Stearate, Glycerin, Cetearyl Alcohol, Ceteareth-20, Caprylic/Capric/ Stearic Triglyceride, Dimethicone, Salicylic Acid (derived from Willowbark Extract), Glycoproteins, Tocopheryl Acetate (Vitamin E), Retinyl Palmitate (Vitamin A), Tetrahexyldecyl Ascorbate (Vitamin C Ester), Sodium

Hyaluronate, Silk Amino Acids, Allantoin, Xanthan Gum, Cetyl Alcohol, Sodium Hydroxide, Lavandula Angustifolia (Lavender Oil), Citrus Medica Limonum (Lemon Peel Oil), Geranium Maculatum Oil, Diazolidinyl Urea, Iodopropynyl Butylcarbamate.

Herbal Silk Moisturizer

For All Skin Types

ABOUT THIS FORMULA…

This is a highly effective formula developed to meet the needs of **dehydrated skin**. **Rosemary, Goldenseal** and **Balm of Gilead Extracts** are incorporated to **revitalize** and **refresh** sluggish skin. This formula also contains **Ribonucleic Acid**, found in the nuclei of all living cells, and essential for healthy skin. Silk Amino Acids are added for a sensationally smooth feel. This silky moisturizer leaves a light protective moisture barrier that helps smooth skin texture.

APPEARANCE

Creamy white with the light scent of herbs.

USE

Use twice daily after thoroughly cleansing skin. Apply all over the face until cream disappears into the skin.

KEY INGREDIENTS

- Goldenseal – Known for its antiseptic and toning properties.
- Balm of Gilead – Known for its toning properties.
- Rosemary – A pleasant aromatic and stimulating scent to refresh and condition the skin.
- Silk Amino Acids – The mixture of amino acids that results in the liquefying of silk. Their low molecular weight indicates that the molecules can penetrate the cuticle in undamaged hair as well as the surface layer of the epidermis.
- Squalene – A naturally derived ingredients found in olives as been known to be the closest comparable ingredient to human sebum, providing softness while replacing necessary oils.
- Ribonucleic Acid – A basic building block for all living things. A protein that helps build healthy skin cells.
- Vitamin E – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants) and certain lifestyle choices (smoking, drinking).

LIST OF INGREDIENTS:

Aqua, Glycerin, Simmondsia Chinensis (Jojoba) Seed Oil, Cetearyl Alcohol, Ceteareth-20, Butylene Glycol, Cetyl Esters, Corylus Americana (Hazel Nut) Seed Oil, Glyceryl Stearate SE, Silk Amino Acids, Ribonucleic Acid, Tocopheryl Acetate, Hydrastis Canadensis (Golden Seal) Root Extract, Commiphora Giledensis (Balm of Gilead) Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Squalane, Dimethicone, PEG-40 Stearate, Carbomer, Sodium Hydroxide, Tetrasodium EDTA, Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol, Beta Carotene, Rosewood Oil.

Super Firming Creme

For All Skin Types

SUPER HIGH-PERFORMANCE FIRMING CREME

Clinical studies confirm the effectiveness of this high performance crème, showing the reduction of superficial facial lines by **36%** within **4 weeks** and increasing skin firmness by **21%** with **4 weeks**. This high-tech proprietary complex provides ingredients which help **firm** and **tighten aging skin** while, at the same time, providing enhanced texture. It also reduces the appearance of wrinkles. High doses of **Vitamin E** and **Sodium Hyaluronate** help protect and hydrate. Can be used under your normal moisturizer.

APPEARANCE

Ultra light translucent crème, with orange oil scent.

USE

Use twice daily after cleansing and toning. Apply all over face and neck, concentrating on special areas in need of extra firmness such as eyelid, under eye and jaw line.

KEY INGREDIENTS:

- Coneflower Extract – (Echinacea purpurea) has been shown to have strong anti-inflammatory and immune enhancing properties.
- Hydrocotyl Extract – (Centella asiatica) also known as Gotu Kola, are known to have healing properties.
- Vitamin E – Anti-oxidant. Maximum dose incorporate in this formula to help nourish and skin and protect it from the breakdown of premature aging caused by free radicals.
- Panthenol – Vitamin B5, known for its revitalizing effect to the skin.
- Sodium Hyaluronate – Maximum dose incorporated in the formula known as an excellent humectant and emollient which moisturizes, lubricates and soothes skin.

LIST OF INGREDIENTS:

Aqua, Centella Asiatica Extract, Echinacea Purpurea Extract, Ethylhexyl Palmitate, Glycerin, Butylene Glycol, Glyceryl Stearate, PEG-100 Stearate, Cetyl Alcohol, Cyclomethicone, Polyacrylamide, C 13-14 Isoparaffin, Laureth-7, Sodium Hyaluronate, Tocopheryl Acetate (Vitamin E), Panthenol, Allantoin, Xanthan Gum, Tetrasodium EDTA, DMDM Hydantoin, Phenoxyethanol, Citrus Aurantium Dulcis (Orange Oil).

AHA/BHA Lipo Serum

For All Skin Types - 8% Alpha/Beta Natural Fruit Blend - Natural Fruits & Vitamins A, E, & C

A SPECIALLY BLENDED FORMULA…

This specially blended formula includes **Alpha** and **Beta Hydroxy Acids** of **Bilberry, Sugar Cane, Sugar Maple, Orange, Lemon** and **Willow Bark Extracts**. When blended together in this special formula these ingredients work together to **enhance skin tone** and **skin smoothness** with **exfoliation**. The special encapsulated **Phospholipids** contain **Tocopheryl, Retinyl Palmitate** and **Ascorbyl Palmitate**.

APPEARANCE

Translucent white serum, fragrance free.

USE

Use after thorough cleansing of the skin. Let this light liquid absorb into the skin before applying your normal day or night creme. Avoid eye area.

KEY INGREDIENTS

- AHA/BHA Hydroxy Acids – 8% active blend of natural multi-fruit acids containing Bilberry Extract (Citric Acid), Sugar Cane (Glycolic Acid), Sugar Maple (Glycolic Acid), Orange Extract (Citric Acid), and Lemon Extract (Citric Acid), and Willow Bark Extract (Salicylic Acid). All of the natural extracts weaken the bonds that hold dead skin cells together, allowing a renewed surface that appears fresher, smoother and more youthful. Studies have shown with this natural multi-fruit acid blend surpasses the activity of the synthetic lactic and glycolic acids. This natural blend maximizes cell renewal, while minimizing the potential of irritation.
- Sodium Hyaluronate – Known as an excellent moisturizing ingredient capable of binding up to 180 times its own weight in water.
- Panthenol – Vitamin B5, known for its revitalizing effects to the skin.
- Vitamin E – (Tocopheryl), and Vitamin C (Ascorbyl Palmitate – Both Anti – oxidants that protect the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking, drinking).
- Vitamin A – (Retinyl Palmitate) – Studies have shown that Vitamin A helps increase the skin elasticity and normalizes dry parched skin.
- Allantoin – A soothing, non-irritating compound found in living tissue and occurring in high concentrations in the comfrey plant; an excellent ingredient in dry and sensitive skin formulations.
- Phospholipids – (Liposome's) Liposome were originally used in the drug industry to deliver special ingredients to the skin surface. These round lipid structures are encapsulated with Vitamins A, C & E.

LIST OF INGREDIENTS:

Agua, Bilberry Extract, Sugar Cane Extract, Sugar Maple Extract, Orange Extract, Lemon Extract ,

Ethoxy Di Glycol, Willow Bark Extract (Organic Salicylic Acid), Glycerin, Butylene Glycol, Sucrose Cocoate, Glycereth-26, Sodium Hyaluronate, Panthenol, Phospholipids, Tocopheryl Acetate (Vitamin E), Retinyl Palmitate Acetate, Ascorbyl Palmitate, Allantoin, Xanthan Gum, Disodium EDTA, Potassium Sorbate, Phenoxyethanol.

Liposome Eye Gel

For All Skin Types

CALMING AND SOOTHING EYE GEL..

This full body and **non-sticky** treatment gel incorporates **liposome –** one of the most effective delivery systems in skin care. The liposome in this soothing gel are encapsulated with Japanese Green Tea Extract which help reduce skin irritation. Polypheols (catechins) act as effective anti-oxidant agents to scavenge free radicals. Sodium Hyaluronate binds moisture and helps moisturize and lubricate tissue around the eye area. Great for those who wear contact lenses.

APPEARANCE

Cool clear gel, fragrance free.

USE

Can be used as often as needed to calm tired, irritated eyes.

KEY INGREDIENTS

- Phospholipids – Liposome's the most advanced delivery system in skin care. The liposome in this Liposome Eye Gel is encapsulated with Japanese Green Tea Extract, which help reduce irritation.
- Sodium Hyaluronate – Known as an excellent humectant and emollient, which moisturizes, lubricates and soothes the skin.
- Chamomile Extract – Naturally derived from the chamomile flower and is a traditionally known for its soothing and skin friendly properties.
- Camellia Olifera Extract – Japanese Green Tea Extract. The extract helps reduce skin irritation and redness. Japanese Green Tea Extract acts as an effect anti-oxidant to scavenge free radicals.
- Vitamin E – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking and drinking).

LIST OF INGREDIENTS:

Glyceryl Polymethyacrylate, Butylene Glycol, Agua, Phospholipids, Camellia Olifera Extract (Japanese Green Tea Extract, Chamomilla Recuita (Matricaria) Extract, Echinacea Angustifolia (Conflower) Extract, Sodium Hyaluronate, Tocopheryl Acetate (Vitamin E), Methylparaben, Imidazolidinyl Urea.

Complex C Moisturizer

For All Skin Types

ADVANCED MOISTURIZER…

This advanced Vitamin C crème **protects, hydrates** and **conditions** skin without irritation. Vitamin C is a major anti-oxidant in the body. It is well established that Vitamin C is essential for healthy skin. This formula also incorporates **Sodium Chondroitin Sulfate** to calm redness and **Red Marine Algae** to condition dull sluggish skin.

APPEARANCE

Light white crème; scent Bergamot Oil, Lemon Grass Oil.

USE

Use twice daily after thorough cleansing and toning. This crème is light and can be used with a sunscreen during the day or under a night crème at night. If using a serum apply on top of the serum for best results.

KEY INGREDIENTS

- Tetrahexyldecyl Ascorbate – Vitamin C. Improves hydration, helps to increase collagen production. Also acts as an anti-inflammatory (puffy eyes and redness).
- Ascorbic Acid – Vitamin C. Anti-oxidant. Also known to trigger the production of collagen. Protects, hydrates and conditions skin without irritation.
- Sodium Chondroitin Sulfate – Developed to inhibit enzymes that destroy the skin's collagen network. Helps to improve the protective functions of the skin as well as to reduce appearance of spider veins and dark circles under the eye. Increases cohesion of the entra-cellular matrix of the skin tissue.
- Ahnfeltia Concinna Extract – Red Marine Algae. Naturally derived from red marine algae found in the Hawaiian Islands. Improves moisturization, reduction of fine lines, increases skin firmness and elasticity, and increases cell turnover. Also studies have shown a substantial reduction in redness.
- Glycosaminoglycans – Also known as Mucopolysaccharide. This ingredient is found naturally in the interstitial spaces between epidermal cells acting as lubricating moisturizers. A reduction of their concentration in the skin can lead to decrease in elasticity and flexibility.
- Glucosamine HCl – Excellent anti-inflammatory and lubricating properties. In the body Glucosamine is an important building block needed to manufacture specialized molecules called Glycosaminoglycans found in cartilage.

LIST OF INGREDIENTS:

Agua, Glycerin, Octyl Palmitate, Glyceryl Stearate, PEG-100 Stearate, Cetyl Alcohol, Squalane, Caprylic/Capric/Stearic Triglyceride, Arachidyl Propionate, Cetearyl Alcohol, Aleurites Moluccana Seed Oil, Tetrahexyldecyl Ascorbate (Vitamin C), Ascorbic Acid (Vitamin C), Citric Acid, Butylene Glycol,

Ahnfeltia Concinna Extract (Red Marine Algae), Biosaccharide Gum-1, Glycosaminoglycans, Sodium Chondroitin Sulfate, Glucosamine HCl, Yeast Extract, Bergamot Oil, Grapefruit Peel, Lemon Grass Oil.

Complex C Serum

For All Skin Types

ADVANCED ULTRA FORMULATION…

This concentrated **Vitamin C Serum protects, hydrates** and **conditions** delicate or irritated skin. It is often recommended by dermatologists for clients who are receiving **Micro-dermabrasion, Chemical Peel** or **Laser Treatments.** It also if often recommended as an excellent formulation to be used on acne skin to help in the healing process. Normal skin types can benefit from this serum as Vitamin C fights free radical damage caused by the harsh environment and pollutants, such as the sun, alcoholic beverages and smoking. Vitamin C is a major anti-oxidant in the body. It is well established that Vitamin C is essential for healthy skin. The Mitochondria, which is the "energizing body" in the dermis, controls the production of collagen and elastin. Vitamin C helps to give the "triggering" effect for the Mitochondria to give the command to produce more collagen. An added benefical Peptide (Palmitoyl Pentapeptide 4) Matrixyl tm, is incorporated to this formula. Clinical test results with Palmitoyl Pentapeptide-4 show reduction of deep wrinkles **44%** and the reduction of main wrinkle density **37%** and lifting effect increase by **16%.**

APPEARANCE

Clear liquid, fragrance free.

USE

Twice daily after thorough cleansing and toning. If using Alpha or Beta Hydroxy Acids or Retinol, use Complex C Serum first and let it absorb before adding other products. Can be used under your day or night moisturizer.

KEY INGREDIENTS

- **Ascorbyl Phosphate –** Ascorbyl palmitate is the most widely used fat-soluble derivative of vitamin C in skin care. It is nonirritating and more stable than vitamin C. Furthermore, ascorbyl palmitate is a fat-soluble antioxidant and is at least as effective as vitamin E in protecting the skin from lipid peroxidation (a key type of free radical damage in the skin).
- **Palmitoyl Pentapeptide –4** (Matrixyl tm) Reduction of deep wrinkles 44% reduction of main wrinkle density 37%, and lifting effect increase by 16%.
- **Hyaluronic Acid** – High concentration in this formula. An excellent humectant and emollient moisturizer. This ingredient is known for its hydrating and soothing properties.
- **Panthenol** – Vitamin B5, known for its hydrating properties.

LIST OF INGREDIENTS:

Aqua, Ascorbyl Phosphate (Vitamin C), Glycerin, Butylene Glycol, Carbomer, Polysorbate 20, Palmitoyl Pentapeptide – 4 (Matrixyl) Hyaluronic Acid, Allantoin, Panthenol, Hydroxyethylcellulose, Disodium EDTA, Potassium Sorbate, Phenoxyethanol.

Matrix Booster Plus

For All Skin Types - For Spider Veins, Dark Circles, Rosacea, and Pre & Post Skin Conditions

A MULTITUDE OF APPLICATIONS…

This new formula has a multitude of applications;

- to reduce the appearance of dark circles and spider veins found on the face and the legs;
- increase integrity of the extracellular matrix;
- decrease skin redness and increase skin firmness and elasticity.

Anti-oxidants of Japanese Green Tea and Vitamin E are also added to fight damage caused by free radicals. Can be used as a pre and post laser treatment or chemical peels. Gentle enough for sensitive skin. Fragrance free.

APPEARANCE

Translucent creamy serum, fragrance free.

USE

After thorough cleansing and toning the skin, apply Matrix Booster to the under eye area for dark circles. This wonderful serum can also be applied to the areas where spider veins appear such as cheeks, nose, chin, or legs. Rosacea skin types suffer from redness and surface bumps, this Matrix Booster will soothe and reduce redness. A moisturizer can be applied over this lightweight serum. Apply to area of concern and let the serum absorb before applying additional moisturizer for day or night. You should see results within one week to eight weeks depending on the condition of the skin. This product is also an excellent treatment product for Micro-dermabrasion, Chemical Peel, and Plastic Surgery patients. A slight tingling or slight burning may occur on the first few times this product is applied. This product can also be used on the neck, arms, and hands where some conditions may occur.

KEY INGREDIENTS

Glycosaminoglycans, Sodium Chondroitin Sulfate – (Fish Cartilage) developed to inhibit enzymes that destroy the skin's collagen network. Helps to improve the protective functions of the skin as well as to reduce and appearance of spider veins and dark circles under the eye. Increases cohesion of the extracellular matrix of the skin tissue.

Camellia Oleifera Extract (Japanese Green Tea), – Acts as an effective anti-oxidant to scavenge free radicals. Reduces skin irritation and redness.

Tocopheryl Acetate (Vitamin E) – Anti-oxidant that protects the skin from free radical damage caused by the environment (UV radiation, chemical pollutants), and certain lifestyle choices (smoking and drinking).

LIST OF INGREDIENTS:

Aqua, Glycosaminoglycans, Sodium Chondroitin Sulfate, Octyl Palmitate, Glycerin, Chondrus Crispus Extract, Cyclomethicone, Butylene Glycol, Camellia Oleifera Extract, Anthemis Nobilis Flower Extract,

Hydrolyzed Collagen, Acetyl Tyrosine, Tyrosine, Adenosine Triphosphate, Tocopheryl Acetate, Glyceryl Stearate,PEG-100 Stearate, Carbomer, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Sodium Hydroxide, Phenoxyethanol, Caprylyl Glycol.

—- Additional

HIGHLIGHTED FEATURES OF THIS KEY INGREDIENT:

- (Glycosaminoglycans, Sodium Chondroitin Sulfate)
- Strengthens the skin barrier function by increasing the skin's thickness
- Decreases skin redness and irritation and prevents irritation due to physical and chemical aggression.
- Retards the appearance of fine lines and wrinkles
- Promotes skin hydration.
- Effectively reduces the appearance of spider veins on the face.

SPIDER VEINS

CLINICALS SHOW A REDUCTION OF SPIDER VEINS BY 35% WITHIN 4 WEEKS, AND 41% REDUCTION WITHIN 8 WEEKS.

DARK CIRCLES

CLINICALS SHOW A REDUCTION OF DARK CIRCLES BY 11% WITHIN 4 WEEKS, AND 25% REDUCTION WITHIN 8 WEEKS.

Spa

Spa Mineral Bath

For All Skin Types

GET SILKY…!

This formulation uses the reviving and toning properties of **Dead Sea Salts** along with the soothing properties of **Epsom Salts**. The blend of botanical extracts helps the skin retain that ***soft silky feel.***

APPEARANCE

Green bathing crystals, aromatherapy blend.

KEY INGREDIENTS

- Dead Sea Salts – Obtained from the Dead Sea in Israel, these salts are well known for their purifying properties.
- Magnesium Sulfate – Commonly known as Epsom Salts. Known for their purifying properties.
- Epsom Salts – Mineral salts with reviving, purifying, toning and astringent properties. Epson salts relax the muscles.
- Sea Kelp Extract – High in natural silicone, which has been known to help skin from wrinkling and sagging. Also known to contain vitamin and minerals.
- Aloe Vera Extract – Aloe has been known for its anesthetic, antibacterial, and tissue restorative properties. The alloin free gelatinous inner leaf is extracted and filtered to provide excellent hydrating, softening and soothing qualities.
- Chamomile Extract – Naturally derived from the Chamomile flower and cold processed to concentrate. The soothing, regenerating properties of the plant are concentrated in the overpowering herbal fragrance.
- Sage Extract – Extracted from the leaves of the Sage Plant. Known for its soothing, astringent and toning properties.
- Linden Extract – Known for its emollient, anti-inflammatory, healing and refreshing properties.

LIST OF INGREDIENTS:

Sodium Chloride, Magnesium Sulfate (Epson Salts), Sodium Lauryl Sulfate, Dead Sea Salts, Lavender Oil, Chamomile Oil, Aloe Vera Extract, Sea Kelp Extract, Calendula Extract, Chamomile Extract, Lovage Extract.

Capsicum Hot Rub

For All Skin Types

DEEP MUSCLE RUB…

This natural deep muscle rub contains Capsicum Extract derived from the fruit of the **cayenne pepper plant**. It is highly regarded by herbalists as one of the most stimulating herbs. It is an excellent rub for tense muscles caused by stress. Eucalyptus Extract and Menthol are added to refresh and cool.

APPEARANCE

Light peach lotion with the scent of Menthol and Eucalyptus.

USE

Lightly massage a small amount directly to muscle pain or area of arthritis pain. This Hot Rub can also be used in the pedicure foot treatments. Add a special service to your massage rooms for extra treatment of stress muscles and tension. Apply only to small areas of the body. This formula can be diluted with Almond & Avocado Body Lotion or the Massage Crème to reduce the intensity for fair skin clients that may be sensitive. Wash hands after each application. Avoid eye area.

KEY INGREDIENTS

- Capsicum Extract – Derived from the fruit of the cayenne pepper plant. Warming effect stimulated blood flow, which helps in reducing inflammation.
- Menthol – Obtained from peppermint oil. This reviving fragrance has both awakening and cooling properties.
- Eucalyptus Extract – Known for its awakening revitalizing fragrance.

LIST OF INGREDIENTS:

Aloe Vera Gel, Methyl Salicylate, Menthol, Capsicum Extract, Eucalyptus oil, Sodium Lauryl Sulphate, Proplylene Glycol, Carbomer, Triethanolamine, Methylparaben, Diazolidinyl Urea.

Earth & Sea Body Mud

For All Skin Types

AN AROMATIC BLEND OF OILS…

This is one of the most unique combination of herbal extracts, fruit extracts, sea extracts and minerals for a toning, conditioning and tightened skin feel. The aromatic blend of oils also provides a soothing and calming effect.

APPEARANCE

Green in color, mineral clay base. Herbal aromatherapy blend scent.

USE

Use all over the body for rejuvenating spa experience. Apply to body with a soft body brush in upward strokes toward the head. Allow 15 to 30 minutes to dry. Remove with a warm cloth or shower. Follow treatment masque with a refreshing toner (Herbal Blend Astringent or Ginseng Mineral Toner). Follow up with a body moisturizer. Can be used as a facial masque. Avoid eye area.

KEY INGREDIENTS

- Algae Extract – Derived from seaweed, mineralizes and conditions skin.
- Sea Kelp – High in natural silicon, which has been known to help skin from wrinkling and sagging. Also known to contain vitamins and minerals.
- Hydrocotyl Extract – Known also as Gota Kola, known for its healing properties.
- Carrot Extract – High in Vitamin A, carrots are thought to have antiseptic and soothing properties.
- Grapefruit Seed – Contains organic salicylic acid. Known for its non-irritating, antiseptic and astringent qualities.
- Dead Sea Salts – Obtained from the Dead Sea in Israel, these salts are well known for their purifying qualities.
- Trace Minerals – Possess stimulating abilities that help in the skin's natural repair process.

LIST OF INGREDIENTS:

Purified Water, Bentonite, Kaolin, Sorbitol, Magnesium Aluminum Silicate, Dear Sea Salt, Hydrocotyl Extract, Tomato Extract, Mushroom Extract, Olive Leaf Extract, Coconut Oil, Silica, Xanthan Gum, Chromium Oxide Greens, Methylparaben, Diazolidinyl Urea, Non – sensitizing Fragrance.

Rosemary & Mint Salt Scrub

For All Skin Types

ENRICHED NATURAL OILS…

Experience the enriched natural oils of **Avocado, Jojoba and Soybean** to hydrate parched weathered skin. **Dead Sea Salts** are added to this formula to gently and effectively exfoliate your delicate skin. **Ginseng Extract** and **Balm Mint Extract** are known for their revitalizing properties and **Watercress Extract** is known to have a high content of **Vitamin A. Rosemary** and **Spearmint** will revive and refresh your skin. Use in the shower or bath after cleansing the skin. This product can also be used as a hand foot scrub treatment.

APPEARANCE

Light yellow oil base with natural salts, scented with Rosemary Essential Oil, and Spearmint Essential Oil.

USE

Applying this natural salt body scrub while showering gives an incredible new skin feel. This multi-functional formula is very effective for parched, ruff and weathered skin by removing dead skin on the surface and moisturizing the new surface revealed. With regular use this natural salt body scrub will maintain a smooth, and healthy glow.

KEY INGREDIENTS

- Dead Sea Salts – Obtained from the Dead Sea in Israel, these salts are well known for their purifying properties.
- Persea Gratissima (Avocado) Oil – An expensive natural oil derived from the fruit of the avocado. This oil is very well suited for treatment of extremely dry skin. Avocados contain high levels of Vitamins B2,D,A,E,K, and potassium, which make them an excellent source of nutrients.
- Ginseng Extract – Revitalize and condition tired and sluggish skin.
- Balm Mint Extract – Known for its stimulating and healing properties.

Soybean Oil – Glycine Soja, a naturally derived oil soybeans. An emollient, oil-rich in Tocopherol (Vitamin E).

•

Hair Therapy

Nutra Peptide Shampoo

For Men & Women

ABOUT THIS SHAMPOO…

One of the interesting ingredients in the Nutra Peptide Shampoo is **Sea Buckthorn Seed Oil** which contains a balanced combination of **linoleic** and **alpha-linolenic acids** backed with plenty of **tocopherol** (alpha-linolenic acid is an essential nutrient for healthy shiny hair.) These essential fatty acids smooth hair surface, prevent protein loss and damage of the hair body and enhance microcirculation of the scalp. All of this improves epidermal regeneration.

APPEARANCE

Clear liquid shampoo wonderful scent of citrus blend.

USE

Massage Nutra Peptide Shampoo into wet hair, lather, then rinse thoroughly. Repeat if necessary. Towel dry hair. Dry hair under low heat, and style with your normal styling products. For best results, use in combination with Nutra Peptide Conditioner and Nutra Peptide Sensory Serum.

KEY INGREDIENTS

- Superoxide Dismutase & Foeniculum Vulgare (Fennel) Seed Extract & Visnaga Vera Extract – Hair follicles have very high rates of metabolic activity. However, studies of aged follicles often find inadequate capillary circulation directly to the follicle suggesting that the resultant lack of nutrient flow may be a contributory factor in the thinning of hair with age. These two combined ingredients enhance microcirculation in the scalp, but in the same complex, delivers protective nutrients to the only actively growing, living portion of hair, the follicle.
- Hexapeptide-11 A biofermented peptide that has been shown to up regulate key genes responsible for collagen production and important extracellular matrix components such as hyaluronic acid. Studies indicate that this peptide is capable of influencing the principal biochemical pathways responsible for converting young velus hair into mature terminal hair.
- Swertia japonica Extract – A traditional Japanese hair care ingredient for ”alopecia areata” for (hair loss condition).
- Fruit extracts isolated from Sugar Cane, Lemon and Apple offer natural exfoliating action helping to clear the follicles of excessive build up of dead cells, allowing more room for thicker hair growth.

LIST OF INGREDIENTS:

Aqua, Ammonium Laureth Sulfate, Cocamidopropyl Betaine, Cocamidopropyl Hydroxysultaine, Glycol Distearate, Lauramide DEA, Cocamide MEA, Swertia Japonica Extract, Saccharum Officinarum (Sugar Cane) Extract, Citrus Medica Limonum (Lemon) Fruit Extract, Betaine, Hexylene Glycol, Pyrus Malus (Apple) Fruit, Extract, Camellia Sinensis Leaf Extract, Hexapeptide-11, Panthenol, Polyquaternium-7, Cocamide DEA, Guar Hydroxypropyltrimonium

Chloride, Citric Acid, Disodium EDTA, Methylchloroisothiazolinone, Methylisothiazolinone, Non sensitizing fragrance.

Nutra Peptide Conditioner

For Men & Women

WHAT YOU SHOULD KNOW ABOUT HAIR ANATOMY…

As we age our hair thins as a result of hair lose and **reduction** in the **active growing cycle**. The subcutaneous fat layer of the scalp also thins and hair becomes **more brittle**. The ability of the hair cortex to absorb **melanin** begins to diminish and the hair starts to lose its youthful color and shine. The hair grows from a vital portion of the skin called the **follicle**. Unlike the visible portion of the hair it is comprised of **keratin** and is "non-living." The portion of the hair that resides below the scalp – **in the follicl**e – is full of activity and life. The hair fiber originates at the terminal point called the **hair blub** where living dermal **papilla cells, grow, divide** and **absorb melanin**. By addressing hair and scalp health at the **cellular level** this formula the **Nutra Peptide Conditioner** provides healthier, thicker, stronger and younger hair and scalp.

APPEARANCE

Opaque creamy, wonderful scent of citrus blend.

USE

Use daily after shampooing. Apply Nutra Peptide Condtioner to wet hair, massaging deeply into the scalp. Rinse thoroughly, and towel dry hair. Dry hair under low heat, and style with your normal styling products. For best results use in combination with Nutra Peptide Shampoo and Sensory Serum.

KEY INGREDIENTS

- Superoxide Dismutase & Foeniculum Vulgare (Fennel) Seed Extract & Visnaga Vera Extract Hair follicles have very high rates of metabolic activity. However, studies of aged follicles often find inadequate capillary circulation directly to the follicle suggesting that the resultant lack of nutrient flow may be a contributory factor in the thinning of hair with age. These two combined ingredients enhance microcirculation in the scalp, but in the same complex, delivers protective nutrients to the only actively growing, living portion of hair, the follicle.
- Hexapeptide-11 A biofermented peptide that has been shown to up regulate key genes responsible for collagen production and important extracellular matrix components such as hyaluronic acid. Studies indicate that this peptide is capable of influencing the principal biochemical pathways responsible for converting young velus hair into mature terminal hair.
- Swertia japonica Extract – a traditional Japanese hair care ingredient for "alopecia areata" for (hair loss condition).
- Fruit extracts isolated from Sugar Cane, Lemon and Apple offer natural exfoliating action helping to clear the follicles of excessive build up of dead cells, allowing more room for thicker hair growth.

LIST OF INGREDIENTS:

Aqua, Cetearyl Alcohol, Brassicamidopropyl Dimethylamine,Cyclomethicone, Polyquaternium-11, Amodimethicone, Trideceth-12, Dimethicone, Swertia Japonica Extract, Saccharum Officinarum (Sugar Cane) Extract, Citrus Medica Limonum (Lemon) Fruit Extract, Betaine, Hexylene Glycol, Pyrus Malus (Apple) Fruit Extract, Camellia Sinensis Leaf Extract, Hexapeptide-11, Superoxide Dismutase, Foeniculum Vulgare (Fennel) Seed Extract, Visnaga Vera Extract, Hippophae Rhamnoides Oil, Panthenol, Tocopherol, Malic Acid, Citric Acid, Disodium EDTA, Phenoxyethanol, Non sensitizing fragrance.

Nutra Peptide Sensory Serum

For Men & Women

A BALANCED COMBINATION...

Sea Buckthorn Seed Oil Contains a balanced combination of linoleic and alpha-linolenic acids backed with plenty of tocopherol. These essential fatty acids smooth hair surface, prevent protein loss and damage of the hair body, and enhance microcirculation of the scalp, improving epidermal regeneration. Alpha-linolenic acid is an essential nutrient for healthy shiny hair.

APPEARANCE

Translucent creamy serum, wonderful scent of citrus blend.

USE

Use daily after shampooing, conditioning and towel-drying hair. Apply 2-3 drops of Sensory Serum to scalp and massage deeply into the scalp with your fingers. For best results, use in combination with Nutra Peptide Shampoo and Nutra Peptide Conditioner.

KEY INGREDIENTS
